

So as we approach the Ascension to Pentecost season the whole church around the world turns to prayer with Thy Kingdom Come.

As we support the families we know and minister to, it is good to have access to some great resources. In case you haven't found them yet here are some that are available and would work well with children, young people and their families. Try the website for all the details <https://www.thykingdomcome.global/>.

Children

Use the **Digital Family Prayer Adventure Map** to join together as you pray. If you want to make it a bit more exciting try downloading the augmented reality app on a smartphone or tablet – on both Apple and Android. The app will feature daily games and videos all delivered through innovative augmented reality! The map is now available in A4 and can be downloaded and printed at home. Or ordered from the website if you prefer. It will still work with the augmented reality app, whether printed in colour or black and white.

Another resource is the **Family Prayer Adventure podcasts**, a fun and engaging way to help families pray together. There is one following each daily theme of Thy Kingdom Come, and they are about 10-12 minutes long. They feature a game, an interactive Bible story (written and performed by folks like Bob Hartman), a chance to pray and great music. The details are on the above page.

There is also a **Family Prayer Adventure Journal**.

Find copies of it here <https://www.engageworship.org/>

And then there is the **Kingdom Kit** to help and guide you in prayer through *Thy Kingdom Come*. The kit gives you and your family different ways to pray for 5 friends and family members. So for every day from Ascension (Day 1) through to Pentecost (Day 11), there is a Daily Prayer Prompt and an accompanying Activity on the given theme. As well as lifting friends and family up to God it is also a fun and engaging way to pray! You could offer to buy kits for families, put your own together or simply pass on a few prayer suggestions you think would work in your setting.

This page has the download of the Kingdom Kit- <https://www.thykingdomcome.global/resources/kingdom-kitat> or buy your own copies www.cpo.org.uk/thykingdomcome

There are some great **creative prayer** ideas to try as a family on this page with Holiday prayer ideas (which may need adapting slightly!), creative prayers to try at home, extreme prayer!! As well as prayer ideas for use with families with additional needs, a Relay prayer game as well as a Prayer colouring poster. SO plenty to offer – enjoy!

Young People:

Why not consider hosting a **continuous virtual prayer event**? It could be held for 24/1, 24/7 or 240 hours of prayer 24/10! You could connect with other groups locally from different denominations? Simply run it with your youth group? Or families within your church.

There is a **digital Prayer Journal** to use throughout TKC – it is aimed at adults but some young people would find it helpful.
