

Join us to explore  
**YOUR *SHAPE***  
FOR GOD'S  
SERVICE

Please join us for three informal meetings where together we will explore our unique God-given “*SHAPE*”, discover more about our gifts and strengths and how we can use these in His service.

We will explore:

God's unique gifts to you

What motivates and excites you; what you love to do

Your talents, knowledge and skills

Your character, personal qualities and strengths

Your life experiences and what you've gained from them

Following each session a personal reflection activity will enable you to consider these themes further.
