The HR Team at the Bristol Diocese can support parishes with advice on recruitment and other HR matters. This Newsletter is designed to let you know what is available and to draw your attention to recent changes in employment law that you may need to be aware of in your parish role. We have included some pointers to other sources of help should you require further information.

**Covid 19**

**New Shielding Rules and Furlough**

The guidance for people categorised as extremely clinically vulnerable is changing from 1 April 2021 and they will no longer be advised to shield (and will no longer be eligible for SSP on the basis of being advised to shield). From 1 April 2021, extremely clinically vulnerable people are advised to work from home where possible and, if they cannot work from home, the guidance states that they should go to work.

The **furlough scheme** has been extended across the UK until 30 September 2021. The government will continue to fund 80% of the employee’s salary (subject to the cap) for unworked hours until the end of June 2021. This means that employers using the scheme will need to pay wages, NICs and pension contributions for worked hours and NICs and pension contributions only for unworked hours during this time.

From July 2021, employers will need to contribute to furlough pay for unworked hours, starting with a 10% contribution in July and rising to a 20% contribution from August until the Scheme closes at the end of September 2021. The government will contribute 70% and 60% respectively. Employers will also continue to have to pay all NICs and pension contributions for all unworked hours. Guidance for employers on the CJRS scheme has been updated to reflect the extension and the introduction of employer contributions.

**Employment Law changes**

**New for 2021:**

**IR35 off-payroll working rules** came into effect on 6 April 2021.

HMRC are extending the reforms to the rules on off-payroll working (eg. contractors) but this only applies to medium and large organisations. A small organisation is where 2 of the following apply:

- Annual turnover of not more than 10.2m
- Balance sheet total of no more than 5.1m
- No more that 50 employees.

It is unlikely that Parishes will be affected by the IR35 rules as you are small employers, however if you feel you might be effected then more information can be found at [https://www.gov.uk/guidance/understanding-off-payroll-working-ir35](https://www.gov.uk/guidance/understanding-off-payroll-working-ir35)

**Recruitment**

If you are employing staff there are a number of recruitment templates and policies that can be downloaded from the Diocesan Website.

The Recruitment Templates and Policies can be found here:

[Diocese of Bristol | HR advice and guidance for parishes](https://www.gov.uk/guidance/understanding-off-payroll-working-ir35)

If you can’t find what you need do contact HR.

In addition, we have a **Health and Safety Policy** which you are welcome to look over to give you ideas for use in your own parish. The policy contains sections on:

- Building Structure and Maintenance
- Display Screen Equipment
- Drugs, Alcohol and Smoking
- Children and Young People
- Machinery and Equipment
- Driving for Work
- Fire Safety
- Disabled Persons
- Lone Working
- First Aid
- Manual Handling
- Workplace Stress
**Redundancy**

If you are having to face making an employee redundant there is free guidance and resources for employers and employees available at: Elliswhittam.com.

In brief your obligations are:

- To give adequate advance warning;
- To consult with staff to attempt to resolve the situation and avoid the need for redundancies (usually 10 to 14 days is required, although this could be shorter for more straightforward situations);
- To be fair and reasonable, and follow a proper process;
- To consider alternatives to redundancy;
- To give the right to be accompanied at all formal meetings;
- To consider, discuss and offer suitable alternative employment if available; and
- To make an appropriate redundancy payment subject to the statutory requirements if no alternative/higher contractual arrangement exists.

The obligation to consider alternatives to redundancy is relevant in the current crisis to the Job Retention Scheme. A clear alternative to redundancy now is to allow an employee to be furloughed, or carry on being furloughed, instead of being dismissed.

**Remember that since April 2020:**

- All employees including ‘workers’ must have a written statement (contract, or list of terms and conditions) from day one of employment.

- All employees will have the right to request stable hours. After 26 weeks employment, employees on Zero hours contracts can ask for minimum weekly hours or set days they prefer to work. You will have to consider requests but may be able to refuse.

- Holiday Pay must be calculated with reference to 52 weeks rather than 12. Staff whose hours vary from week to week will now have holiday calculated with reference to the peaks and troughs of a whole year.

- The Parental Bereavement Leave and Pay Act gives all employed parents a day-one right to 2 weeks’ leave if they lose a child under the age of 18, or suffer a stillbirth from 24 weeks of pregnancy.

**Leaving the EU**

Do you hold reliable data on which of your employees are EEA nationals in the UK or British nationals in the EEA? This will help you to identify any employees who may be affected by changes to the immigration rules and identify who may qualify for settled status under the new system.

**EU Settlement Scheme**

When the UK leaves the EU, with or without a deal, free movement of people will be allowed to continue for a transitional period from the exit date for approximately two years. EU citizens and family members who want to continue to live and work in the UK beyond 30 June 2021 will need to apply to the EU Settlement Scheme.

The deadline for applying is 30 June 2021. You must usually have started living in the UK by 31 December 2020.

Applications need to be made on the Gov.UK website

New Diocesan Director of Safeguarding and People

Caroline Jowett-Ive has joined the Diocese in the role of Director of Safeguarding and People

This is a new role for the Diocese of Bristol. Caroline will oversee and drive the development and delivery of the people and safeguarding strategies and services to support the Diocese’s vision and values – with a focus on its goal to be a Church for and serving all people.

*We asked Caroline what she is most looking forward to in her new role.*

Joining at a time of transition and change and ensuring the people strategy is represented and aligned with the Diocese’s aims in transforming the church for the future.
