## WELCOME

Here at ABL Health our goal is to support everyone to lead **healthier**, **happier** lives for **longer**, whatever their background. During this peculiar time protecting our well-being is essential for thriving during this lockdown period.

This guide has been made to bring together all the resources that are available during this time. The **Five Ways to Wellbeing** is a theme which runs throughout this guide, describing how building these into your day to day life can enhance your wellbeing during the lockdown period.

The Five Ways to Wellbeing are made up of the following:

♥ **Connect**

With people around you, family, friends, colleagues, neighbours. This could be at home, work, school or in your community.

♥ **Keep Learning**

Trying something new, discovering a new interest or picking up an old one. Signing up for a new course, learning new things builds confidence and keeps the brain stimulated

♥ **Be Active**

Experiencing the benefits of physical exercise through walking, running, gardening, playing games. Finding activities that work for you

♥ **Take Notice**

Being curious, catching sight of what's beautiful, remarking on the unusual, savouring the moment. Being aware of the world around you.

♥ **Give**

Doing something nice for a friend or a stranger. Thanking someone for their help or their time. Smiling, volunteering your time. This can also be looking inside yourself and focusing on your happiness. Supporting the wider community can be incredibly rewarding.

In this guide you will see links to resources, tools, ideas to enable you incorporate the Five Ways to Wellbeing into your daily life during this difficult time.

The list is not exhaustive, and we welcome any ideas or top tips you have for coping. Get in touch on our Social Media pages.

## CONNECT

Being in isolation during this lockdown has reduced the amount of contact that we can have with others. This can have an impact on our wellbeing and therefore this section of the guide will provide you with ways you can reach out, connect and stay in touch.

### Video Conferencing

Video conferencing can enable you to see as well as hear your friends and relatives. There are many platforms for doing this which are listed below. Click on the platform to be directed to the website which provides an easy guide of how to use it.

This is not an extensive list and many more can be found online.

## GIVE

Giving back is important during this time as not everyone is able to access the same resources. In this section we have put together some ideas and suggestions of how you could give back during lockdown.

- ♥ A woman has designed a postcard aimed at helping people to look after their neighbors if they are self-isolating. Posting this through postboxes to let others know you are there is one way you can **give**. Print this template if you want to use it!

**HELLO!** If you are self-isolating, I can help.

**My name is** .....

**I live locally at** .....

**My phone number is** .....

**If you are self-isolating due to COVID-19 I can help with:**

Picking up shopping       Posting mail

A friendly phone call       Urgent supplies

Just call or text me and I'll do my best to help you (for free!)

Coronavirus is contagious. Please take every precaution to ensure you are spreading only kindness. Avoid physical contact (2m distance). Wash your hands regularly. Items should be left on your doorstep. **#ViralKindness**

- ♥ If your local food bank is open, donating suitable food is a great way to give back
- ♥ COVID-19 Mutual Aid UK is a group of volunteers supporting local community groups organising mutual aid throughout the Covid-19 outbreak. Click [here](#) to find your local group or to find out how you can help.
- ♥ Many organisations are selling hampers to be delivered to loved ones, family, friends and those who are more vulnerable during this time. [Not On the High Street](#), [Funky Hampers](#), [Hamper.com](#) and many more are offering free delivery with any purchase. If you want to view a wide range of options, try googling “Gift hampers delivered”.
- ♥ Having a clear out? Why not have a look through your wardrobe and anything you no longer wear or have never worn, why not donate to a refuge, charity or have a “virtual swap shop” with some friends!

## FOOD AND DRINK

During this time, we may find ourselves eating and drinking more than usual! It can also be a time to be creative in the kitchen and use this time to try new things. In this section we have included some kitchen hacks, recipes, ideas and fun for all the family.

- ♥ **Freeze what you don't use!** This can include milk, bread, cheese, cooked pasta, chocolate, chopped fruit and vegetables!
- ♥ **Pasta Recipe** Did you know you can make pasta from scratch with four ingredients, it takes under 10 minutes. [Click here for the recipe!](#)
- ♥ **Use up old to make new** Items such as old jam jars can be used to make a whole batch of things such as tealight holders, mini vases or keeping food in.
- ♥ **Pancakes are a family favourite** if you don't have all the main ingredients, you can try this easy banana alternative. Just mash one banana, blitz a handful of oats into a flour consistency, mix them together and then fry in a pan. It's also vegan friendly.
- ♥ **Age UK – Age UK Oldham** are offering Freshly cooked frozen meals; they will deliver a 7-day meal pack to your doorstep. This will include 5 frozen home cooked meals (3 meat dishes, 1 fish dish and 1 vegetable dish) plus two portions of homemade soup for **£15**. Diabetic and vegetarian options are available.
