

# Code of Conduct

We're really looking forward to seeing you and can't wait to welcome you back. We understand that church will be very different from what we are all used to however, we must comply with government laws and guidelines and will need to be very strict on what is allowed to happen on the church property.

We know that it will be very hard, but if you do not comply with the following, we will sadly have to ask you to leave. We don't want to have to do this so we would kindly ask you to please follow the rules, they are there to protect you and others.

- Please follow social distancing and keep 2 metres apart from people where possible
- Please follow the one way system unless advised otherwise
- Please sanitize your hands when arriving and leaving the building
- Please wear a face mask while in the church building unless you are under 11 or have a medical exemption. The face mask must be covering your nose and mouth.
- Please do not shake hands, hug or touch anyone other than those in your family or social bubble.
- Please do not move the chairs, they have been spaced out to follow the 2 metre rule.
- Please do not sing during the service
- Please do not stand and chat with other people. There will be opportunity to acknowledge each other, from a safe distance, during the service.
- Please do not attend church if you have any symptoms of COVID-19
