**ST MARY THE VIRGIN**  
**WILLINGDON**

The Flower Team at St Mary's is delighted to hear that you are planning your wedding in our beautiful church. If you would like us to provide the flower arrangements for your special day please do get in touch with Beryl Edmondson.

Please contact her via the parish office:

Email: [stmarys.willingdon.church@gmail.com](mailto:stmarys.willingdon.church@gmail.com)

You can also see her in church or at coffee after the 9.45am Parish Eucharist.

A form will be given or sent for you to complete detailing your requirements.

The basic cost of three arrangements is £100 but this will vary in terms of your own choice of flowers and style. We can provide any additional arrangements and pew ends, which would incur extra costs and are happy to discuss and cater for your requirements.
