Working with Onward Homes we now have a system where people in food poverty (no food in the

house and no money to buy food) can get access to our foodbank service. We have seen a lot of people coming to foodbank who have been laid off, have lost school meals or have had benefit assessments like PIP put on hold because the corona virus epidemic.

The client should ring: 0333 772 1916 Mon-Fri 10-3pm.

They will be assessed and, if appropriate, receive a voucher so that they can pick up a food parcel with food for their household for 3 days.

If folk cannot come to foodbank a neighbour or family member can pick up their parcel. We can do deliveries in extremis.
