Dear friends,

11/10/24
The Feast of Paskin's +1!

Thank you. I'm am so deeply grateful to God for each of you & the Diocese of Leicester, and especially yesterday for all your prayers, support, love & the most beautiful crafted pastoral staff. After almost half a life in the Diocese, you will always remain deep in our hearts, but the duty reminder in carrying the staff is especially generous. We felt maintained in the grace of God & prayers of the saints - thank you. Be assured of our continued prayers, love & know us cheering you on from Teesside! With every blessing in Christ.
