

May God's Kingdom Come in Leicester and Leicestershire

5 Strategic Priorities for our bishops and diocesan support

New

REACH those with no contact with church

Intercultural

LEARN with Global Majority Heritage people

Intergenerational

BRING TOGETHER all generations

Reconciling

MODEL peace, justice and reconciliation

Eco

CHAMPION care for God's creation

Why?

The diocesan family of 320 churches and 97 schools has been blessed with resources - people, buildings and money. These priorities will shape the use of these resources in the coming years.

How?

Through prayer and listening, the bishops, trustees and Diocesan Synod will discern how resources are allocated.

What?

With a balanced budget and through the allocation of resources to these priorities, by 2030, we are aiming for 3000+ new disciples, 100 new congregations, an increase in GMH leaders, double the numbers of children and young people, increased confidence in working across difference, a Gold Eco Church award and to be Net Zero Carbon.
