

Natural Church Development Survey

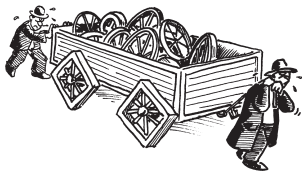

Participant's Form

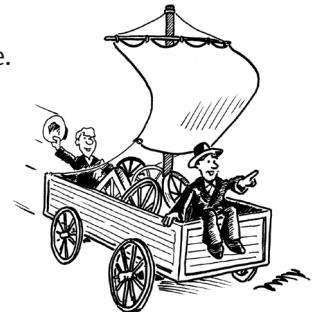

Church Name _____ Congregation _____

This questionnaire is the first step in a process of discovering and enhancing the health of our church.

1. Please answer all of the questions by placing a tick inside one box that best describes your response.
2. For the sake of the future of our church, please answer as honestly as possible.
3. Think about our church and how it looks from your point of view at present.
4. If a question refers to 'leaders', it always refers to all leaders both lay and ordained, PCC members, leaders of ministries, small groups, committees and similar positions.
5. If a question refers to 'our church', it means the whole life of our local church, not the building.
6. If a question refers to 'small groups' or 'groups', it includes any sub-group within our church. (e.g. Bible study groups, home groups, prayer groups, ministry teams, cell groups, leadership teams, PCC committees, etc.)
7. If unable to decide on a response, please make a 'best guess'.
8. If for any reason a question is *completely* invalid for you, please leave it blank.
9. As it is anonymous, please do not write your name or comments on this questionnaire.
10. When finished, please return your completed questionnaire so that we can have our collective response calculated.

Thank you for contributing to the healthy growth of our church.
