DIOCESE OF  
COVENTRY

These two beautiful and resourceful churches, with committed lay leaders and a wealth of opportunities on the doorsteps - including a large amount of new housing, as well as a major redevelopment of Nuneaton town centre - are seeking a full-time ordained leader who can:

- **Inspire** – inspire, challenge and encourage us to deepen our walk with Jesus.
- **Lead** – be a listening, enabling and delegating leader giving time and energy to both parishes to lead them forward in mission.
- **Collaborate** – be a team player encouraging diverse participation in our churches, and developing external partnerships such as the Saints project.
- **Enable Mission** – be passionate about outreach and discipleship within our communities and committed to bringing all ages to faith in Jesus Christ, including facilitating good links with the educational establishments and housing developments of the two parishes.
- **Unify** – bring together different church traditions and cultures and work with other churches in the area.
