

Rector - St Margaret's Church, Whitnash

And Can It Be... that there is a single church Benefice in Warwickshire, with one PCC and a vision to know and serve Jesus better, looking for a Rector?

We are an historic evangelical church set in the diverse parish of Whitnash, just south of Leamington Spa.

O For A Thousand Tongues... to describe the Rector we are seeking; one who is

- passionate about seeing the Lord Jesus walk off the pages of scripture into hearts and lives by teaching the Bible faithfully
- eager to serve our whole parish by unleashing the gospel and seeing lives transformed by the power of the Holy Spirit
- enthused about nurturing the gifts of the whole congregation
- keen to develop our work with children, particularly through our schools
- experienced in pastoral care, sharing the love of the Lord Jesus with those in need
- committed to evangelism, relishing the opportunities arising from numerous occasional offices
- able to lead and support us in all aspects of our worship by personal example – helping us to adore Jesus through teaching, praying, singing, visiting and much else.
- With **10,000 Reasons** why you might be our next Rector, we would love to hear from you.
