## **Spiritual MOT material**

This 6 session journey, 'Invest in your Spiritual Wellbeing', has been produced as an attractive small booklet to be used in conjunction with the CSC Handbook. It has been piloted at Norton and at Cheddleton as a Lent Course with very positive feedback. It will be formally launched on May 12<sup>th</sup> at our annual commitment service at Shallowford where copies will be available but copies are also available free from St Mary's Hose, Lichfield. An electronic inspection copy can be accessed: <https://www.lichfield.anglican.org/documents/spiritual-mot/>

## **Community of Saint Hugh, Lincoln**

We recognise the importance of sharing insights and experience from our community life with others who are doing similar things and are part of this journey of exploration. There have been recent discussions with John Leach who is relaunching the Community of Saint Hugh in the Lincoln Diocese. Please pray for them, particularly at the relaunch as part of 'Thy Kingdom Come' in June.
