- Faithful in prayer and studying of the Bible.
- Missional at the core.
- Willing to build a strong team around them.
- Growing a thriving ministry from the ground up.
- Passionate about raising up others to lead worship, not only to just play music or songs.
- passionate about for musical excellence and an eye for detail.
- willing to work with and alongside a growing team.
- willing to discern with others the direction of the worshiping community of Telford Minster.
- Eager to discover and develop their own ministry within the role of worship and media pastor.
- Has a flair for design, social media work and branding.
- Able to co-ordinate a potential internship programme.

### We offer

- A part time position, developing into a full time position if a viable internship programme is established.
- An open and approachable leadership team.
- A scope to develop new and exciting forms of worship projects.
- Regular supervision.
- An opportunity to take risks in following God's call.
- The potential for the role to become full time.

### Essential requirements

- That this post holder is a committed Christian.
- Has the musical ability to lead worship vocally as well as instrumentally.
