*Possible questions for discussion:*

*What is your Christian community currently doing better than it used to?*

*What are the ways you might be able to maintain that into the future?*

*What is harder for your Christian community to do well at present?*

*Is it clear how you will be able to redevelop that in the future?*

## Talk 2

### 1 Thessalonians 2v1-16

#### The shape of fruitful community ministry before, during and after lockdown

The word gets to work...

...leading them in Christ-like ways

A severe warning for those who try to stop it

*Possible questions for discussion:*

*What aspects of Christian ministry is your community currently doing better than before?*

*What are the ways you might be able to maintain them into the future?*

*What aspects of Christian ministry are weaker your Christian community at present?*

*Is it clear how you will be able to redevelop them in the future?*

## Talk 3

### 1 Thessalonians 2v17 - 3v13

#### **The hope of community in lockdown and beyond**

The initial hope of being in community

The ultimate hope of being in community

*Possible questions for discussion:*

*What are you looking forward to about being back together as a Christian community?*

*What are you praying about for when we are back together as a Christian community?*

*Do you have any good news stories of people shining more brightly as Christians during lockdown? How will you encourage them?*

*What can you put in place so your Christian community feels more strongly the connection between being in community initially now and ultimately then?*
