

To log in to the diocesan website

Ideally, please ensure you are using an up to date web browser either Google Chrome or Internet Explorer.

Please go to www.lichfield.anglican.org and click **Login** located at the top right hand corner of the screen as shown below.

Then on the next screen enter your **email address** in the appropriate box – if you do not yet have a password, please click **request password**

The next screen will show you what to do next

Once you have received your password you can log in using your email and your unique password. (Please note that some email providers regard the password email as Spam and may place in in your Spam folder).

You will then be taken to the screen where all the forms are available for online completion. Select the form you wish to complete and follow the online instructions.
