

# Healing Ministry in Lichfield Diocese

If you are interested in beginning a healing service/ministry in your parish, you may find it helpful to contact a parish in your area which already holds healing services. Clergy and lay teams there may well be willing to let you visit and discuss what they do in their church.

Also, those who hold healing services may like to know of others locally who do likewise.

Please use the Diocesan web site parish list for contact details if you wish to get in touch with one of the churches listed here.

Should you know of other churches not yet listed, or if any listed information is inaccurate, please contact Rev'd George Fisher, Director of Mission, at [george.fisher@lichfield.anglican.org](mailto:george.fisher@lichfield.anglican.org) or 07814 166951.
