

PRAY  
TODAY

PROVINCE of S.E.ASIA

Lichfield Diocese is linked with the three Dioceses of **West Malaysia, Kuching and Singapore**. The Anglican Church in these Dioceses is vibrant with a strong commitment to growth and discipleship and used to working within a majority Muslim led context. Most of the St Chads Volunteers (including Wai Theng and Anthony Arul pictured above) have come from West Malaysia. The newly formed AsiaCMS hub is based in Kuala Lumpur. Singapore, although only the size of the Isle of Wight, exerts a considerable missional influence, not least through its six Mission Deaneries, which include Indonesia, Vietnam and Laos. St Andrew's Cathedral, Singapore, has up to 15 services on Sunday in 5 different languages. The present Archbishop of the Province of South East Asia, the Rt Revd Bolly Lapok, (above rt) is based in Kuching where, as in the other Dioceses, the church is growing and new churches are being planted and established.

### Give thanks for:

- The vitality of the churches in the Dioceses of S.E.Asia expressed in lively worship
- Their commitment to prayer and evangelism
- Biblical teaching and deepening discipleship
- New churches and congregations being planted and established there

### Please pray for:

- Wisdom and discernment for Christians responding to the pressures of living in Muslim majority societies
- The recruitment of teachers of English for the Mission Deaneries
- More St Chads Volunteers, placements and sabbatical exchanges between our dioceses
- Staff and students at Seramban (W. Malaysia) and Trinity (Singapore) Theological Colleges and the House of the Epiphany (Kuching)
