

## 9 Indicators to Measure the Success of a Project/Club

### Indicators

1. Do Young people in the target group attend on a regular basis?
2. Are they building stronger friendships with other members in the group?
3. Are the young people able to describe their learning?
4. Can they look up passages in the bible independently?
5. Do volunteers turn up on time?
6. Do volunteers feel confident with their roles?
7. Are the young people enthusiastic about attending the following week?
8. Is the programme material delivered as it was intended in the planning stages?
9. Is there planning in place to continue running the group in the next term?
