

# Toddler Group Planning – Year 2

## Autumn Term

This terms' planning builds on planning from Autumn term last year. It explores stories and characters in the Old Testament. The stories explore people who have been given special and important jobs and shows how God looks after them and us.

The planning also marks times of year such as harvest, remembrance and advent.

### Stories

Stories in the planning can be found in most children's Bibles and **feel free to use any versions** that suit the age of your children and your group. The planning makes reference to stories in **The Big Bible Storybook** and **The Play-Along Bible**. Both have good versions that make it easy to share stories with under 5's.

Occasionally other stories may be suggested throughout, these can usually be found cheaply online, with links provided. Again, use your own versions to fit with the theme if you have them.

### Sensory Play

The planning includes weekly ideas for structured or sensory play. Young children learn through play and through their senses. Having opportunities for them to engage with themes in the story throughout the session can help to both develop their spirituality and help them understand the story.
