

Vicar (House for Duty)

The Benefice of Coven

The benefice is situated in the very pleasant semi-rural village community of Coven located in South Staffordshire on the North-West border of Wolverhampton. It is a growing community that has good links to the M6.

Our church family have passed a resolution under the House of Bishops' Declaration regarding the ministry of Bishops and Priests and the Eucharistic service is central to our worship.

We are a very welcoming church who needs a shepherd, teacher and friend to lead us on a journey of spiritual growth.

We would like our new priest to be a friendly and visible presence in the community and someone who can engage and build relationships across the village.

He should maintain and develop the good links with our church school and sponsored Scout Group.

Finally he should be able to help us create a realistic MAP to guide us through our future challenges.
