

Save the Date - Saturday 25th January 2020

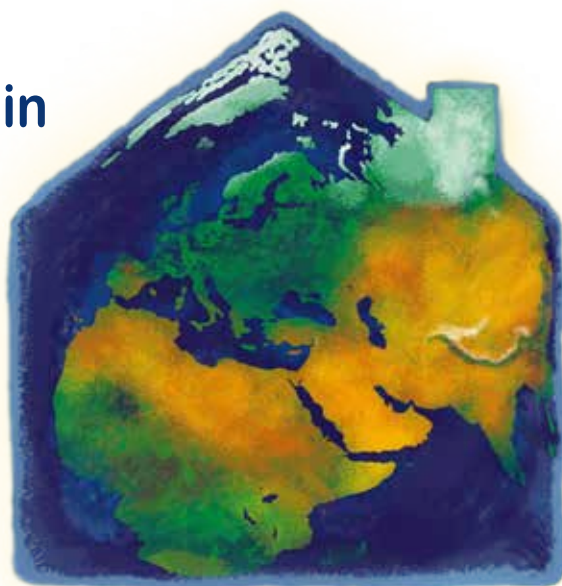

For church leaders, treasurers, and all who want to make a difference through how we use our money

Ethical Money Church and the Climate Emergency

How can our church communities use our spending and saving power to create good things in the world, to avoid harm to planet, wildlife and people?

Climate Emergency | Carbon Offsetting | Global Warming | Renewable Energy | Ethical Banking & Saving | Fossil Fuel Divestment | Plastics | and more

Theological reflection by Bishop Clive working together in workshop with Colin Darling of Ethical Money Churches

Saturday, 25th January 2019, 10.00 to 13.00.
Bring your own lunch, stay on afterwards, chat with others, and review resources

Aldridge Church Centre,
The Green, Aldridge, Walsall WS9 8NH
