

Our St. Chad's group based in Wolverhampton are planning to walk the Two Saint's Way (Southbound) starting on Sunday 17th July. We will be doing 8 walks over 8 months, culminating on Saturday 4th March 17 at the annual St. Chad's service which will be held in Lichfield.

Where timing permits, we will join in worship at a church along our route.

The starting and finishing points are listed in the 'Two Saint's Way' guidebook which can be obtained from Lichfield.

If anyone would like to join us on the last walk, you would be more than welcome.
