Dear Fr Joseph,

Please pass on our sincere thanks to all at St Hilda's for their generous Harvest donation.

Prior to the pandemic we were supporting two or three households a week with a food parcel. We now have over one hundred households on our books and at the height of the pandemic we had around sixty food deliveries per week being delivered to those who were struggling. We have now delivered over 1100 food parcels in our local area of TW15 in the last six months. The numbers dropped towards the end of the summer but we remain open for emergency drop-ins and are standing by as we expect the need will rise again as we enter winter. We wouldn't be able to do this without generous support and donations from individuals, partners, local businesses and fellow churches.

We are extremely grateful and say thank you once again to all at St Hilda's for your kind donation. We give thanks to God for you and hope we can continue to find new ways of partnering in the Gospel together.

God bless,

Dave
