## GETTING ANGRY

Why was Jesus angry with the money changers?

Sometimes it is right and necessary to get angry.

When do you think it is right to be angry about something?

Do any of these facts make you angry?

- In Britain the following are threatened with extinction: barn owl, red squirrel, natterjack toad, dormouse, certain orchids

- Children are still dying of starvation in many parts of the world

Y	N

- In some homes there is little love and often cruelty or neglect

Y	N

- The Earth is being polluted and poisoned by our use of chemicals

Write here what makes you angry most of all

Lord Jesus,  
 You were angry with those who cheated the poor. Help us to stand against injustice and evil.

Thank you for all who love me, especially my mother on this day
