

HEALTH WARNING

BEING A CHRISTIAN CAN BE
DANGEROUS TO YOUR HEALTH.

If you fight evil, it will fight back.

If you speak against wicked people,
they will try to silence you.

If you try to do good, evil will try
to stop you.

Maximilian is not dead,
but he has given his
life for his brother. There
was in that death, humanly
so terrible, all the absolute
greatness of the human act
and human choice: he,
himself, on his very own,
had offered himself to
death out of love.

Pope John Paul II

Speaking of Maximilian Kolbe who
exchanged places with another prisoner
at Auschwitz to save him from death. Two
weeks later Maximilian was injected with
phenol and died 14 Aug 1941.

I preached the Gospel with
all my might, and my conscience
is clear before God that I have
not sided with the present
government, which is utterly
self-seeking. I have been
threatened many times.
Whenever I have the
opportunity, I have told
the President the things
the churches disapprove of.
God is my witness.

Died in an accident planned by
his enemies. 17 Feb. 1977

EVIL TRIUMPHS WHEN GOOD PEOPLE DO NOTHING.

How can we make our stand against
evil today?

Can we help any who are being
persecuted for their beliefs? *
