– *Joyce Blundell*

Induction loop system fitted.  
Turn hearing aid to 'T' position.

# Welcome!

We're so glad that you can join us today as we meet with God, to worship Him together, engage with His word (the Bible) and learn how we can live life as God intended, in all its fullness.

If you need any assistance, please speak to one of our stewards, they would love to help you with anything about the service, any children/youth work, and the facilities etc.

Whether you are just wondering about faith, or have been a follower of Jesus for many years, we pray that you will be blessed by your time with us as much as we are by having you join us today.

Every blessing,

Bruce (Vicar)

---

## **A Thank You for your kindness and support**

Sincere thanks for all the attractive and useful items which have been given to help the Ukrainian ladies who are making a new home in Longdendale.

Their expressions of gratitude cannot be overstated. They are delighted and overwhelmed by the generosity shown to them by our two churches. They also appreciate the offers made to fund items they need.

Help for them started at the food bank, and Janet (Malpas) passed on their details to Rev. Bruce. This prompt action has been instrumental in making the ladies feel loved and accepted. In their words " Bruce and his church family have been so kind and welcoming".

I will keep you informed as circumstances change. Already, the mother of the family has now decided to join them, and later this year the birth of a baby is expected.

We now need to give them time to settle here, before turning our attention to the needs of a new baby. How exciting!

God Bless you for your understanding and enthusiasm to help.

Dorothy Meakin.

## Vision Statement

Our vision is to see our church making a difference to the lives of the people in Hollingworth, Tintwistle and the surrounding area through the power of the Holy Spirit, our commitment to God's word and our worship of our Lord Jesus Christ.

Through the power of prayer, inspiring worship and the gifts God gives us we want to see lives changed, disciples growing, people healed, needs met and God's Kingdom extended.
