

Outdoor Learning: This term we will continue with our nature walks observing the changes from season to season. We will also be using wellie woodland to link in with our geography topic which will cover the differences between where we live and the city.

Geography: This term we will be looking at the differences between where we live and where our school is compared to big cities. This will link in with our story for English and where our topic will move to in History later in the term.

Art :This term we will be looking at both primary and secondary colours and within this colour mixing. We will be looking at a number of Abstract artists within this and trying to complete work in the styles of them.

Music: We will be experimenting, creating and selecting instruments to make a combined sound.

P.S.H.C.E. : This term we will be looking at our the PANTS rule and our health.

Maths: This term we will be covering shape space and measure, place value, addition and subtraction and measurement. In the same way we did in term one these will be short blocks following the White Rose Maths Scheme.

P.E: The children will continue with P.E on a Wednesday with Miss Gill at the village Hall .

On a Friday the children will join the rest of the school in going swimming at Brock worth swimming pool.

Spring 2018

Miss Meadows
and Mrs Nolan

English:

We will be looking in particular at two books this term 'Percy the park keeper after the storm' and 'How to heal a broken wing' within this we will be looking at story writing and working towards innovating our own stories.

- Sequencing sentences to form short narratives
- Handwriting including letter families
- Applying phonetic knowledge to decode and spell words.

Science:

This term we will be looking at animals and their habitats. Within this we will cover the animal groups / classification groups , their habitats and what they eat.

Computing : This term we will be looking at the uses we may have for technology beyond school as well as aiming to use technology purposefully.

We will be looking at how to use simple programmes effectively for a purpose.

D&T : This term we will be continuing to look at healthy eating through our snack choices and will be aiming to construct something with a purpose in mind.

R.E.: This term we will be looking at the topic where we belong. Within this we will be looking at groups and places the children belong and events that happen within religion o celebrate belonging.

History: This term we will be covering the great fire of London. This will link in with our Geography as we will be able to compare this and the city it happened in to where we live.
