

English – Our writing this term will be focussed on the text 'The Journey' by Francesca Sanna. From this we will be working on our descriptive writing, writing letters and creating an advert.

For guided reading, we will be working on our 'ERIC' skills from Miss Wilson Says.

Art – Mrs Hodges will be leading the art work this term. We will be looking at the work of architects. We will learn about the work of Frank Lloyd Wright before designing our own buildings to serve the public. We will learn where architects get their inspiration from and use this to guide our own work. We will evaluate work of others as well as our own and will make comments to suggest improvements where necessary.

R.E – Mrs Nolan will be teaching us R.E this term. We will be learning what Hindus believe God is like and what does it mean to be Hindu in Britain today?

Outdoor learning – This term we will be having outdoor learning sessions as a whole school. We will work on our den building and also be completing mindfulness activities.

Science – This term, we will be working with electrical circuits. We will be exploring voltage, recording data and reporting conclusions on experiments we set up.

Music – Music specialist Mrs Edwards will be leading music, teaching us to read music and play some musical instruments.

Maths – Throughout this term we will be regularly working on our arithmetic skills. We will begin by working on decimals and percentages, before working on geometry and finishing on algebra.

P.S.H.C.E – This term we will be covering financial capability and relationships and sex education.

Service

Spring 2018

Geography – This term we will begin by locating countries in the world where refugees are travelling from and to. We will then focus specifically on Syria and Germany.

We will then focus on charities that work with refugees.

P.E – P.E specialist, Miss Gill, will take us for P.E. The whole class will be together for sessions on Wednesdays.

On Fridays:

- Children in Year 6 will be working on Multiskills games to try new sports such as ultimate frisbee and hockey.
- The rest of the class will be swimming for this term.

Languages – Languages specialist Mrs Edwards will be working with us on their reading and writing in German.
