

English – Children will be looking at writing to entertain. This will include writing stories and play scripts. They will then work on newspaper reports and biographies.

The class will also be reading *Who Let the Gods Out* as part of our Guided Reading sessions.

Science - Children will be learning about Earth and Space. They will be developing their knowledge of the movement of the planets and moons in our solar system.

Music – Music specialist Mrs Edwards will be leading music, teaching the class to read music and play some musical instruments.

Maths – This term, the children will begin with work on place value. They will then be working on addition, subtraction, multiplication and division. After this, the focus will be on fractions.

Geography – The children will be learning about important cities in Ancient Greece such as Sparta and Athens.

Art – Mrs Hodges will lead art this term. The class will be focussing on impressionist art.

Perseverance

Autumn 2017

History – The class will be taken back in time to study the amazing Ancient Greeks. We will study each aspect of their lives and make comparisons to modern day Greece.

P.E – P.E specialist, Miss Gill, will take the class for P.E. They will be partaking in tag rugby, orienteering and physical training sessions.

Languages – Languages specialist Mrs Edwards will be working with the class on their reading and writing in German.

R.E – Mrs Nolan will lead the R.E. for the class this term and develop their understanding of Christianity. This will begin by covering the Holy Trinity.

Outdoor learning – This term the outdoor learning sessions will be linked with our history and maths. We will look at Cranham pottery to compare to Ancient Greece and then use our mathematical problem solving skills in an outdoor environment.

Computing – The children will be using the LearnPads this term to work on their computing skills. They will cover the use of computing in creating media and cover an introduction to coding.

P.S.H.C.E – Miss Young will be teaching the P.S.H.C.E to the class this term. They will cover ...
