

Outdoor Learning: This term we will be spending some time looking at what is around us and focusing on what changes over the seasons. We will be spending some time with Mr Hull and his class on some Monday afternoons.

Geography: This term the children will be looking at naming the countries and capital cities within the United Kingdom. In particular identifying the similarities and differences between them.

Art : This term in art we will be looking at developing our drawing skills, insects and mini-beasts within this.

Music: This term in music the children will be working Mrs Edwards and Miss Young on their singing and developing their skills in following a rhythm.

P.S.H.C.E. : This term we will be focusing on developing a growth mindset towards all areas of our learning.

Maths: This term we will be covering the following areas using the White Rose Maths Hub scheme:

Place value,
Addition and subtraction

**Miss Meadows
and
Miss Young**

Autumn 2018

English:

- Using capital letters and full stops,
- Sequencing sentences to form short narratives,
- Handwriting including letter families,
- Decoding and blending words,
- Applying phonetic knowledge to decode and spell words.

Science:

This term we will be looking at plants. This will include identifying common wild and garden plants as well as, describing the basic structure of common flowering plants including trees.

Computing : This term the children will be looking at programming a toy and moving it around a map. They will look in greater depth at algorithms and making predictions.

R.E.: This term in R.E we will be looking at the key question:

How should we care for others, and why does it matter?

P.E: The children will have two sessions a week with Miss Gill one on a Tuesday Afternoon and the other on a Friday Morning.

History: This term we will be looking at significant individuals in particular we will be looking at the 'Great Explorers' and how they have changed practices within our modern lives.
