We are learning to plan a comic book	<p>Think about it- What different bubbles are used for speech, exclamation and thoughts in a comic strip?</p> <p>What features can you see in the attached comic strip?</p> <p>Do it!- Plan out the scenes for your comic strip. You will be writing your comic strip out in neat tomorrow, you will need to plan 6 scenes thinking of the beginning, middle and end.</p> <p>Who are the two main characters in your story? Where is your story located? In a rural area, a river, a city etc</p> <p>Here is an example of how I would plan my comic strip:</p> <table border="1"> <thead> <tr> <th>Scene and actions</th> <th>Characters present</th> <th>Landscape</th> <th>Caption</th> </tr> </thead> <tbody> <tr> <td>Super sits bolt upright in his bed hearing screams from people in the distance</td> <td> <ul style="list-style-type: none"> • Super Dog </td> <td>Super dog's family house</td> <td>Super Dog hears with his ultrasonic hearing screams from people in danger 200 miles away and jumps to the rescue.</td> </tr> <tr> <td>Danger snake is slowly hypnotising the city of Needleton with his poisonous hiss (speech bubble 'hisssss') and super dog is running into the city.</td> <td> <ul style="list-style-type: none"> • Super Dog • Danger Snake </td> <td>The city at nighttime</td> <td>Danger Snake silently crawls through the streets at night hypnotising the residents of Needleton.</td> </tr> </tbody> </table>	Scene and actions	Characters present	Landscape	Caption	Super sits bolt upright in his bed hearing screams from people in the distance	<ul style="list-style-type: none"> • Super Dog 	Super dog's family house	Super Dog hears with his ultrasonic hearing screams from people in danger 200 miles away and jumps to the rescue.	Danger snake is slowly hypnotising the city of Needleton with his poisonous hiss (speech bubble 'hisssss') and super dog is running into the city.	<ul style="list-style-type: none"> • Super Dog • Danger Snake 	The city at nighttime	Danger Snake silently crawls through the streets at night hypnotising the residents of Needleton.

This daffy dog has hidden 10 of these bones in the yard, and now he can't find them ... can you?

TRUE but STRANGE When dogs bury bones, they are obeying an instinct that goes back thousands of years. Early canines buried food to hide it from other animals that might steal it. It was also a way of making sure there was something to eat when food was scarce.
