

Hi Hazel Class,

How are you? It has been a long time since we have all been together and I am missing your happy faces. Therefore, I have decided to write a letter to you. Here is what I have been up to in lockdown and I would like to find out more about what you have been up to during this time.

For my daily exercise, I have been going on a walk around a lake in Cheltenham- yesterday there were some beautiful signets on the lake too, I wish I had a picture to show you!

I have also taken up lots of drawing, here is a picture of my elephant:

What activities have you taken up during this time? Have you learnt a new skill?

I have been cooking lots of yummy cakes. This weekend I made a chocolate cake... my favourite with star sprinkles on top, yum!

Finally, I have really enjoyed lots of calls with friends and family on facetime to catch up. This has been really great, especially to catch up with my family down in Falmouth. I would also like to catch up as a class- On Thursday I am inviting you to a Zoom call, I will send out details later on in the week. I am excited to see everyone!

I look forward to reading your letters,

Best wishes,

Miss Hugh

P.S. I have loved seeing your amazing work, thank you for sending in your videos and pictures, you have been working so hard. 😊
