

Marcy James – Aged 9

Grateful.

I woke up this morning,
In a nice warm bed.
I had cereal for breakfast,
I'm grateful to be fed.

I dressed myself in clean clothes,
Opened the curtains to trees of green.
I am grateful for my garden,
What a sight to be seen!

I started on my school work,
And then it was time to play.
I went outside in the sunshine,
I am grateful for my day.

At home I'm safe with family,
For them I am very glad.
I am grateful for my house, my sister, cats
And my hard-working Mum and Dad!
