

Sunday Worship 11.00 a.m.

Live introduction on [Facebook](#) at 11.00 a.m.

Service is posted on [Facebook](#) and [YouTube](#) a few minutes later.

Services remain available afterwards, so you can access them at any time.

Both Facebook and YouTube show the Service, but the other information they contain may be different. Try both, have a look round.

YouTube will suggest other videos you might be interested in. These depend on your previous browsing habits and may be completely irrelevant to Milton of Campsie.

You can listen to our Services on your phone by dialling 01360 545345. This costs the same as a local call.

We record (audio) most of our Sunday Services. If you'd like a copy, please e-mail webmaster@mocpc.org.uk quoting 'Service CD' in the title. This will continue to be available during the COVID-19 outbreak.
