

WE DISCOVER, WE GROW

Girlguiding

Brownie News

1st Knottingley, St Botolph's Brownies have embarked on the new Guiding programme and over the last 12 months they have explored the themes:

Be Well

Have Adventures

Know Myself

Express Myself

Take Action

Skills for My Future

As part of the Take Action they completed their Charities Interest Badge and raised money for Children In Need.

Having Adventures involved making a compass to find their way, making snow goggles and spotting constellations and planets in the night sky.

Skills for My Future saw them learning French and making crafts from French Speaking countries, becoming a master chef and creating tasty fajitas, being a DIY expert by trying out various tools and deciding just how much £5 would buy.

All great fun.

If you are aged 7 - 10 years and you would like to join us register interest on the girlguiding website and we will get back to you.

We meet on Tuesdays during term time, 5.45 - 7.15 pm, in St Botolph's Parish Room.
