Dear Friends

I have started compiling these thoughts as the rain hammers down whilst the wind howls around the house: storm Imogen is making a felt presence! This winter has seen a pilot project between the Met Office and Met Eireann in “naming” storms. We’ve had Abigail, Barney, Desmond, Eva, Frank and so on. Some of these have hit us whilst others have focussed their fury on other parts of the country and we certainly remember people who have been flooded or suffered storm damage, not least in Cumbria.

Within the Gospels is a passage about Jesus and some of his closest friends who are caught in a storm. Jesus is asleep and eventually it looks like the boat will sink but still Jesus slumbers, his friends in panic awake him and he said “Peace be still” and we are told, “The wind dropped and there was a deep calm.

It is like that in life. As we grow from childhood, to maturity we have our storms and frightening moments. Into these situations we very much want to hear Jesus’ words, “Peace be still.” Yet sometimes we forget that Christ did not only calm the storm for the disciples but was also with them during the storm whilst it raged.

The word “peace” is also very much associated with Easter, how many times does Jesus use this word to his still grief stricken followers following his resurrection. At the very end of Matthew’s Gospel there is a promise, “I am with you always even until the end of the age.” Wherever we find ourselves, be it a time of calm or storm may we experience the presence of Jesus, who in the midst of the storm says “Peace be still.”

Shalom

Rev David

They go out every Friday and 4<sup>th</sup> Saturday but with some teams reduced to 3 instead of 4 pastors. They are considering going out on Saturdays which is a busier night instead of Fridays.

**Cornerstone** – have been successful with a couple of grant bids, so finances are coming in to set up a Mobile Cornerstone to go out into the villages and hospitals. There are three sessions a week – Monday, Wednesday and Friday and in the first year they have had 500 episodes of assistance. More volunteers always welcome. Thank you for prayer and financial support for the main Cornerstone.

It is sometimes difficult to fill all the slots on the rota – **more volunteers are needed.**

Vestry duty is especially in need of more people – this involves greeting the Minister and making sure they have all they need before and after the service, coming into the church with them, saying a few words of welcome and reading any additional notices. Please let Marion or Karen know if you could help with this or want to know more.

More people for coffee and books rotas, and for flowers, would also be welcomed.

## Treasurers Report

At the start of a New Year it is time to review our finances. Our Assessment payment to the Area increases every year and we are now paying £5814 per quarter. Our income from offerings for the last 3 months is as follows :

November	£1901.91
December	£1750.90
January	£1822.81

**As you can see this doesn't cover our quarterly payment** and we have other regular costs to cover, as well as the upcoming refurbishment of the schoolroom. As we review our giving, I would be happy to advise anyone who would like to set up a standing order to the church as it makes giving much easier and gives us a regular income to cover our running costs. We can also Gift Aid your payments if you are a taxpayer. Another option is to use our offertory envelopes, although this is a commitment to give weekly even when you are not in church.

I am pleased to announce the following collections over the festive period:

The **Carol Service and Christmas Day Offerings** raised £387.25 for **Medecin sans Frontieres**

The **Christmas Card Collection** for **Shelter** raised £100.00

I would like to thank everyone for your consideration and generosity. *Hilary*

## SUMMER EVENING WALKS

To everything there is a season! We can be sure that the light evenings will come again before too long!

We hope to start the evening walks, which proved popular last year, again in April. I am suggesting **Wednesday 27<sup>th</sup> April**. We would then hope to have a walk each month throughout the summer. These would be short walks, about 3 or 4 miles finishing in a pub for a meal, snack or drink as wanted. Please let me know if you have any ideas

for routes for these walks and suitable refreshment venues. Look out for more information on the notices sheets nearer the date.

## FIRST FRIDAY FELLOWSHIP

We have been up & running now for 5 months and up to 25 church members have enjoyed a meal and time together. In November our guest speaker Linette Tedman talked about her work in Paraguay and at Christmas & New Year celebration lunches were enjoyed.

The next meeting will be held on Friday 4<sup>th</sup> March when after lunch guest speaker Judith Duddy will give a talk about chocolate (with samples).

Some dates for your diary:

April 1<sup>st</sup> : Fish & Chips Lunch,

May 6<sup>th</sup> : 'Darling Buds of May (the meaning of flowers),

June 3<sup>rd</sup> : Guest speaker 'Warminster Street Pastors'

July (exact date to be arranged) Church coach trip to Moreton Village and Athelhampton House and Gardens.

As numbers are limited for the lunches booking is essential.

## How About a Book Club?

Interested in reading, love a good mystery, gripped by a thriller? Some of us enjoy a good book and would like to share our enthusiasm with others; learn about new authors, talk over old stories and generally appreciate the opportunity to share.

If you are interested, then speak to *Marion Barton*. If there are sufficient of us, then we will see about joining forces for an hour over a cup of tea for a chat.

## THANK YOU

Not wanting to sound like the winners at BAFTA or OSCAR awards ceremonies and not wanting to make a list of names either (for fear of leaving someone out) my heartfelt thanks go to all the people that make our church run as smoothly as it does. To everyone that adds a few stitches to knit the whole thing together, be that in a practical way or a spiritual or pastoral one. We often read that a Church is not a building but the people, and that is very true of The United Church, George Street. So to all those who regularly step up to the task, step in at the last minute and generally join in the true concept of service and fellowship, be assured your part is acknowledged. We go forward together in faith.

Sincerely, *Pauline.*

## PROPERTY NEWS

I'm sure you have all noticed how lovely and bright the new lighting is in the Foyer, and two outside lights will also be put up soon. We have found a sympathetic electrician who understands what we are trying to do – i.e. bring our building up to current safety standards whilst spending our money wisely. This work has been paid for from our current account.

The Shepherd Window will be accessed by a working platform to be erected when the old School Room is scaffolded for the ceiling repairs. In previous times, leaded glass was “finished” using tallow and it may be that it is this tallow which needs cleaning off and/or replacing. We will know the full extent of the problem when we have the window laid flat on a table in the Vestry for closer inspection.

We recently had the 5-yearly inspection of the building and one item mentioned was the position of the gas meter. Not very user-friendly, it is currently under the stairs and Hilary can sometimes be found on her knees with a torch to get an accurate reading. The meter needs to be moved to an outside wall so that in the event of an emergency, the supply can be isolated.

All these tasks can only happen if and when we have the funds to carry out the work. It's worth pointing out that our Offerings just about meet the Assessment. Our church is noted for being warm but this comes at a cost – the winter quarter averages £1500 for the three coldest months and the various lettings fees help toward this cost.

On a more positive note, the refurbishments in the old School Room will be going ahead very soon as we are within £500 of the target needed to cover the projected costs. Of course there will be added extras – things we cannot plan for but which need to be addressed. I am sure the outcome will be something we can all be proud of and, just like the refreshment area in the Foyer, we will very quickly get used to the facilities and forget how it was before. *Pauline*

## PASTORAL NEWS

With the passing of Winter and looking forward to Spring with lighter nights and warmer days, when pastoral carers can get out to visit more easily, we are undertaking more training on Safeguarding with Jan to learn more about the welfare of vulnerable people and children whilst serving our congregation. Most of us have applied for the DBS (Disclosure and Barring Service) check and have John Alpin to thank for his time going through the process as Verifier. Karen Woollard continues as the Safeguarding Officer for the Church.

Our thoughts and prayers remain with Jack and Penelope in his continued illness, and with Betty Fielding and family. With old friends Audrey and Howard Spurr, Tony Reade, Bernard Cooper, Sally Petrie and Janet Titt unable to attend our services but held in our hearts.

As always, a big thank you to the Pastoral carers for their time and commitment.

*Marion Barton*

**We are sorry to hear that Howard Fielding died on 17<sup>th</sup> February. His funeral is 3<sup>rd</sup> March at 12 noon at our church. Our thoughts and prayers are with Betty and her family**

## DEMENTIA UK

Thank you to all who supported the coffee morning for Dementia UK in February and helped to raise nearly £200. The organisation offers specialist one-to-one support and expert advice for people living with dementia through their world class Admiral nurses. They provide the compassionate and expert support families need every step of the way, helping everyone in the family to live more positively with dementia and to face the challenge of tomorrow with more confidence and less fear. Several visitors to the coffee morning spoke of their own experiences of coping with a family member with this condition and how much they appreciate the support given.

*John Alpin*

## PRESCHOOL CENTRE IN NEWTON SIERRA LEONE

Latest news from Sierra Leone is that the walls of the Preschool centre are now built and all is ready for the roof to go on. It is slow work, with weather and acquiring materials presenting problems, but they are very grateful to the help we gave them with the proceeds of our January coffee morning. I will pass on further news as I hear it

*Joan Jones*

STATIONS OF THE CROSS  
THE MINSTER  
MONDAYS DURING LENT  
6 – 7 p.m.

**“GOLDIES” SING & SMILE ONE YEAR ANNIVERSARY at The United Church.**

Held on the first Thursday every month starting at 2.30 for an hour, this popular get-together is a way of revisiting the songs from our younger days. No singing ability needed, this is not about perfecting technique or choral instruction. The printed words are provided and the song is played in its original form, as we remember it, with every word clearly heard and the melody easy to follow.

We have a new session leader, Katy, who was bowled over by the whole-hearted participation and jolly time had by all at the February session. It can get quite noisy and everyone feels up-lifted after a good sing. Remember that “Goldies” refers to those taking part AND to the songs, “Sing & Smile” is the perfect description of the activity outcome.

So come along and be part of the experience, for a minimum donation of £2 you get to enjoy the camaraderie and well-being that singing provides, with light refreshments included. Next sessions are Thursday 3<sup>rd</sup> March and Thursday 7<sup>th</sup> April, doors open at 2pm ready to start singing at 2.30pm.

Thurs 7<sup>th</sup> April

CHRISTIAN AID

South West Representative, Stephen,  
is coming to give a talk and slide show .

11 a.m. to 12 noon

Followed by Curry and rice lunch.

**IDEAS STILL NEEDED** for a name for the room being refurbished!

Please write your idea on a this tear off slip ( or any slip of paper) and put in the box in the foyer

**My suggestion for the name for the old school room behind the church is :**

**Lord Jesus,  
the mystery of your Cross  
is at the heart of our lives.  
You are the rock of our strength  
and the one who leads us from death to life.**

**Help us to embrace the world  
as you embraced the world.  
Give us the strength we need  
to make our world a better place.**

**Fill us with your Spirit  
that we may become your people.  
Your kingdom come.  
Your will be done.**

**In Christ our Lord.  
Amen**
