## View from the Manse

Thank you to all for the Weekend Away at beautiful Launde Abbey, those that helped plan it and those that attended – it was a wonderful time of rest, reflection and refreshment. Sorry to those who could not come along – you missed an enjoyable time.

As the summer unfolds and many of us look forward to the freedom and happiness of a holiday break, sea and sunshine, we are reminded to think also, of others who will not have that luxury. Many are instead suffering from loss and bereavement from terror attacks and the Grenfell Tower inferno.

I always wondered why at Greek and Jewish weddings couples are given china or glasses to break as part of the service, until a Jewish friend explained to me, that in the midst of our joy we must also remember those who have sorrow and loneliness.

I do not want to put a damper on our summer months! Of course, we are to enjoy the warmth and bounty of the summer and to have times of relaxation.

*View from the Manse (contd)*

As Christians, we are to be grateful for our many blessings and give thanks to God for them. However, we are not to be so self-satisfied and secure in our own comfort, that we do not care for others in distress. We are challenged to live in community with others, to care for all people, particularly those in need.

The local community, neighbours and faith communities in London rallied round to help the victims of the fire; and local and national governments are working to help those who are now homeless. They are also working to make sure that other tower blocks are assessed and safety measures are put in place so that this will not happen again. And for those who suffered terrorist attacks in Manchester and London, medical services and family are supporting the injured and bereaved, and police and MI5 are doing their best to prevent future attacks.

We can do our part by praying for those affected and by giving financial assistance where we are able, but most of all, by building a sense of community where all are valued and respected in society.

The church is a place where we promote the dignity of all those who are made in the image of God. This means that we are not just to offer provision for the poor, but to stand alongside them and to speak up for them where they are being neglected and disregarded.

It means seeking to foster understanding between people who are divided from one another, and to show tolerance and grace to those who are different from us. As the Joint Public Issues Team of the United Reformed, Methodist and Baptist and Church of Scotland stated, *'This is a time for Christians to stand for truth, justice, peace and wellbeing for all'*. The church would then be a positive voice in society, furthering Jesus' ministry of healing, feeding the hungry and liberating the oppressed.

Wouldn't it be great if everyone could enjoy a peaceful, relaxing and restful time for the rest of the summer?

God's blessings,

Catherine

### BANK HOLIDAY SNACK BAR

**Thank you** once again to all the volunteers who helped at the Bank Holiday Monday snack bar on the 29<sup>th</sup> May. We were very busy and it was lovely to see the new faces from the Easter Monday snack bar returning to help us out.

We took £750, giving us over £500 profit. The Buy-a-Brick for the SOS Spire Appeal raised a further £60.

After a very busy May you can all have a rest until the snack bar on Monday 28<sup>th</sup> August which will be

organised by Joan Bullough and Rosemarie Smith.

## ***From the Church Secretary.....***

In July we begin to get feedback from some of the church events. The **Exhibition Day** in the church on 24<sup>th</sup> June allowed many of the organisations that use our church for meetings to meet each other and chat. Our buildings are used by a wide variety of groups. Present were groups such as the Gardening Club, Saints Crafters, U3A Italia, the Photography Club and the RSPB.

Then there were the sports groups such as Bowls Club and Sunny Steps. Society and history were well represented by the Civic Society and U3A Local History. There were groups addressing current issues such as the Credit Union, Eco Group and Women's Institute. Also there, were charities and groups with special pastoral concerns such as the Volunteer Bureau and the Alzheimer's Group. Also our church groups were well represented with exhibits from the worshipping church, from Chapel Prayers and the Poetry Group to Tots and Carers. Tookey's was also represented. There were lots of handouts and free helpful advice.

Each group was enthusiastic and celebrated being local, but are also being careful to ensure that they could balance their finances with sufficient members. However, people were expressing interests in the different groups on the day, and there were many interesting conversations across groups. There was a sense of inclusion and also awareness of those who could not attend for the day, but who do valuable work in St Ives. Our thanks to Babs Moore for coming up with the idea for the day with the help of her planning team – Irene McCormick, Joey Dyke and Sandy Nunn.

The **Big Day Out for the Eastern Synod** was a joyful occasion with carefully planned worship and activities for all ages. In dazzling sunlight, I stood by my posters on the subject of 'mental health and wellbeing'. In response to my question about the topics that people would most like to see articles written on health and wellbeing, the top responses included: loneliness; dropping in to visit; how to be a good visitor and companion; and understanding the phases of dementia. Also included were young peoples' mental health, anxiety and eating disorders. Other areas were preventing alcoholism and substance misuse.

The analyses of our **Church Questionnaire** is still underway and we handed out more questionnaires at the Exhibition in June. We hope that this survey will report soon.

The **Save Our Spire Appeal** continues at pace with work about to begin on the Spire. On Sunday, 9<sup>th</sup> July from 3.00pm to 7.00pm we are all invited to the Garden Party in Oakington (see Page 8). Tickets are now on sale from Just Sharing. Special thanks go Sonia Spurling and Charlotte Jordan (see Page 9) for their work on procuring some excellent raffle prizes from local businesses for the Save our Spire fund-raising appeal (see Page 11). Please do consider buying tickets for the Garden Party, with the contributions also going to help fund the repairs to the Spire.

This month the **Elders Meeting** is on 5<sup>th</sup> July; and the **Church Meeting** is at 12.15pm on Sunday 16<sup>th</sup> July where we will consider the use of the building for the registration of same-sex marriage. The church is responding to changes in English law and according to a resolution from the 2016 General Assembly. The discussion will be facilitated by Rev John Filsak.

## News from the Eco Group

In March this year a group of us visited the **Amey Recycling Centre** at **Waterbeach**. Since then a few people who were unable to go that day have expressed an interest in another visit being organised.

We would need between 12 and 16 people to make the visit viable. So if you would like to be one of those people, please let Mary Cox know on 01480-300103.

We are sure that you will be pleased to be made aware that the status of the Free Church as an **Eco Church** is now displayed on the blue board in the Foyer.

### Christian Women for Iraq

Iraqi women, whose lives had come under the control of ISIS, have suffered terribly. For instance, many are bereaved because of the constant killing; and many more have been brutally raped by so-called 'soldiers'.

To help them come to terms with their situation, groups of British Christian women have been travelling out to Iraq to bring pastoral care and prayer to the women now in refugee camps.

Mandy is one such Christian who wishes to go on a 5-day mission to help these women.

She is asking you to **remember both groups of women in your prayers**.

Also, the British visits have to be self-financed through the support of family and friends. If **you would like to give towards Mandy's costs** please contact:

## *News from Tookey's Coffee Shop*

### *In Memoriam—Pam Reddig*

Sadly, Pam passed away on 25th April 2017 after a short illness.

Over the past couple of years, Pam had been a volunteer in Tookeys. She was very reliable and thoroughly enjoyed her time with us. She often said it made her happy to chat with customers and she enjoyed the friendships forged during her time in Tookey's.

Due to circumstances, no-one from Tookey's was able to attend her funeral. However, we did send a card of condolence to her family with our thanks for all she had contributed.

Pam worked on Wednesdays with Pat Humphrey and, to show her appreciation, Pat very kindly made a floral tribute to Pam, which was placed on the Communion table upstairs.

### *Retirement of Val Firth*

Val Firth, who has worked in Tookey's for many years, on a Friday afternoon, has had to retire due to a severe ankle problem. She will be greatly missed as she has made an enormous contribution to our coffee shop—as do all our volunteers.

A card expressing our thanks has been sent to Val.

## Tapestry and Synergy Concert on 10<sup>th</sup> June

The SOS team was speechless with wonder at the support of the teamed choirs, Tapestry and Synergy, and the fantastic audience participation in the whole event that gave rise to **£1,400** for the 'Spire Appeal.' The evening of sheer delight, emotion and fun was the culmination of detailed planning and preparation by Irene.

**Tapestry** (pictured below) is a mixed-voice, a-cappella chamber choir of 14 singers based in Cambridgeshire. Formed in 1996, its repertoire has grown considerably every year, offering period and contemporary sacred music, via a wide variety of genres, to more up-beat popular songs – almost always unaccompanied. Tapestry is well known

locally and events often sold out.

Neither a male voice choir nor a barbershop chorus, **Synergy** (pictured below) aims to blend the best of both genres into beautiful a-cappella, four-part close harmony. Formed in 2006 and based in Abergavenny, South Wales, Synergy offers a varied repertoire from the Beatles to Queen, American Classics to Showstoppers, touching ballads to laugh-out-loud barnstormers, all held together with light

humour.

Highlights for **Tapestry** were the rendition of *Bridge over Troubled Waters* and *Nimrod*; and for **Synergy** *Bring Him Home* and *Teddy Bear's Picnic*. These led

## A Pastoral Message

**From: the Presidents of Churches Together in England (CTE)**

**To: all engaged in the work of Churches Together, locally, at Intermediate level and nationally**

As the Feast of Pentecost dawned, we learnt of another appalling terrorist attack in London, the third attack within weeks. It is therefore important that we say clearly alongside our fellow faith leaders that such horrific acts are abhorrent to God and to all people of faith. Life is precious, the gift of God, and it is to be prized.

Our thought and prayers will continue to be with those who have been bereaved and those who are recovering from injuries suffered in those attacks.

Churches Together across the land have been praying in these past weeks for the coming of God's kingdom. In the face of increased terrorist activity those prayers are particularly poignant. The kingdom of God is love, justice and joy, and the gifts of the Spirit given for building it. Even in such acts of darkness, we have caught glimpses of the kingdom in the kindness of strangers to each other, the extraordinary bravery of the emergency services and the dedication and skill of medical teams. We thank God for them.

Part of our vocation as Christians is to stand together with our friends and neighbours of all faiths and none to seek the flourishing of all, and refuse to let violence and hatred deflect us from living compassionately and kindly together. Another part of our vocation is to share in Christ's ministry of forgiveness and reconciliation, to pray for those who hate that they may grow close to the God of mercy and love and be transformed.

In this season of Pentecost we invite all who are part of Churches Together to pray for the gifts of the Spirit so that they may be activists for the love of God, building healing, reconciling and forgiving communities where God's kingdom can grow and all be valued as children of God.
