## Thoughts for the month ahead.

### View from the Manse

Happy New Year!!!

I send good wishes despite the uncertainty of what 2022 will bring us and our world. I do hope and pray that it will be a better year for us all, that scientific research will continue to bring resources that will help with the new variants of Covid and that we will be able to live safely.

We are blessed to have the medical and social support in our town and recognise that we need to continue to care for each other and our neighbours. The church community is a special blessing, as we step forward into the 'new normal'. We hope that we may be able to keep our doors open each day of the week so people in the market square can pop in for prayer, or a cuppa, a hot meal, or gifts and crafts that are fairly traded. We give thanks for our new Cook Manager, Helen who starts this month and will head up the team at Tookey's Café. We give thanks, too, for Sue continuing to manage Just Sharing, our Fairtrade shop. As well, we thank Jo for coordinating morning prayers each morning in our porch chapel. We hope that all our different groups will start up again: Tots and Carers, Bowls Club, Poetry, and others. If you are interested in starting something new, do ring Gail in our office.

Over the past couple of years, we have adapted our worship according to Covid safety measures, and we will continue to follow guidelines so that we do our best to keep people healthy.

All is not doom and gloom – a new year is a good time to try something new. We may find that we have fresh ministries to take on as things change in our town – so we need to be open to new challenges and opportunities as well as sustaining our current projects.

We may not know what the future holds, but we know who holds the future, in his strong and loving hands.

I said to the man who stood at the gate of the year, 'Give me a light that I may tread safely into the unknown.' And he replied. 'Go out into the darkness and put your hand into the hand of God. That shall be to you better than light and safer than a known way!' So, I went forth and finding the hand of God, trod gladly into the night. And he led me towards the hills and the breaking of day in the lone East.

Whatever 2022 holds – if we face it with God and each other we know we will be stronger together.

**A RECIPE FOR THE FUTURE**

Take a bowl of kindness  
Add mindfulness, pure sight,  
A drop or two of wonder  
For the world and all that's right.

A tablespoon of patience,  
Responsibility and care,  
Humility, generosity  
Respect for everywhere.

A colour mix of spices  
Will season up the dough,  
A dash or two of common sense,  
Is kneaded, this we know.

Knowledge and pure genius  
Would help to bind the mix,  
A jug of tears and laughter  
And some humour that can fix.

Transgression and confession  
Is so human, pour it in,  
A prayer for our forgiveness,  
Is a must to counter sin.

God's blessing and his goodness  
Will fire up our hope,  
And somehow in the darkness  
Together we will cope.

### Sunny Steps Dance and Movement Classes

My name is Alison and I run Sunny Steps, a dance and movement class for 2- 4 year olds, in the St Ives Free Church.

I am there every Thursday in term time, from 9.45-10.45am.

Sunny Steps is a gentle introduction into the wonderful world of dance and each week we move and dance through different themes and ideas and I use a variety of music and sounds to help us along.

Parents and carers are encouraged to join in as well, as the children are still very young and I want to do everything possible to make them feel confident and happy.

Booking is essential for these classes and if you'd like to enrol, please email me at [info@sunnysteps.co.uk](mailto:info@sunnysteps.co.uk)

Working to become Dementia Friendly 2021

The Dementia Café is supported by the St Ives Dementia Friendly Community Group and the St Ives Town Council

The St Ives Dementia Café is a monthly drop-in café held at the Free Church, for those who live with dementia and their carers. Former carers are most welcome.

The Café is run by volunteers of the St Ives Dementia Friendly Community Group, on every 3rd Tuesday of the month, from 10.00-12.00. It provides a place to relax and share experiences. The meetings usually include a speaker or some sort of light entertainment. Recently we have had a talk on managing sleep, visitors from Madeleine's Patch - we are considering a follow-up trip to see them in the spring -, a joyful singing session with John Pilbeam, and a visit from a representative of the Alzheimer's Society.

The Café is a fun social event with wonderful cakes baked by our volunteers, a hub to provide useful information to those who care for people with dementia, and an opportunity to find support and friendship amongst people on a similar journey.

### ***A simple thank-you!***

A thank-you can mean so much especially when it's unexpected! A few days before Christmas an unexpected email landed in Alan's inbox from a name I remembered from the past. I'll call her Ali. Ali was part of a church family in Mill Hill back in the 60s. The family were all highly intelligent; the father had severe mental health problems and the mother sometimes struggled to cope. My mother often used to take freshly baked cakes and scones round. Ali, now a professor, had written to thank me for something very small I did many years ago. She was (and still is) about ten years younger than me and apparently I spent time one day sitting on the lawn showing her how to make a daisy chain. No big deal, I don't even remember, but Ali never forgot and wanted to say "thank you". So she used to power of technology to search on Dad's name as she remembered him well. "Ross Calvert" brought up a photo in KIT of dad dancing with Margaret McQuitty! From that she was able to locate Alan's email address! It was wonderful to hear from her again! Who knows what impact small acts sometimes have..... **Chris Curtis**

***I simply couldn't think of a title for this.....***

Come, Jesus...  
Come, our Saviour,  
come to all the people in Afghanistan,  
in this bleakest of winters.  
Come, with food and water,  
to feed the hungry and refresh the thirsty  
ones.

### ***Welcome to a new season of Poetry at the Free Church***

***The Free Church Poetry Group***—sometimes known as ***Faith, Hope and Poetry***—started about five years ago. Until coronavirus struck about 10 of us used to meet once a month in Tookey's. We chose a theme for each meeting—sometimes a subject such as Summer or trees, sometimes we chose a particular poet we loved, or wanted to find out more about. We brought along the poetry and shared with each other, either reading ourselves or letting another do that. William Wordsworth and Seamus Heaney are big favourites. Sometimes we go for less known poets.

We have been meeting on Zoom during lockdown but felt confident enough to try meeting at church again and see how it works out. We were not sure whether most people would prefer an afternoon or an evening meeting so in September we had both.

We discussed the pros and cons—and whether to meet in the Warren Room or Tookey's and in the end we have decided to meet on the last Thursday of the month in Tookey's at 2:30pm for the time being.

***Our next meeting will be on Thursday 27th January at 2:30pm in Tookey's and our theme will be "Green".***
