Dear Friends

Many thanks to Andrew Riddell who administered the flu vaccine to a number of people after the service on Sunday. His 'sharp scratch' was barely noticeable! Andrew will be offering to administer the vaccine to others after service on the next two Sundays. If you want to book a vaccination then please contact Andrew direct, either by email on andrew_riddell@hotmail.co.uk (NB That's an underscore _ in the middle of email address) or phone on 07568 505178 so that he has sufficient doses available.

With this newsletter you will also receive the latest edition of KIT and the first edition of our newly launched new style of Inspire. If you have an idea for an article for KIT please write it!

The service this Sunday will be led by Catherine and will include Holy Communion. As usual there will be a video of the Sermon and Prayers and recorded hymns on the website which may be accessed here: www.stivesfreechurch.org or you can read the prayers and reflection that accompanies this newsletter. It has been good to see increased numbers attending worship and we hope that more will feel confident to return. Please note that you **no longer** need to book in advance!

Irene McCormick wishes to know if members of the congregation would like to join a choir to sing at the Festival of Readings and Carols on Sunday 12th Dec at 6pm. Please let her (sirenemcc@hotmail.com) know if you wish to join the choir. Rehearsals are usually for about 30 mins after morning service.

Church members should also have received information about this year's Elders' Election. If you have not received this information, please contact Alan Curtis or the church office Nomination forms should be returned to the church office or emailed to Alan Curtis by this Sunday, Oct 3rd
