**Monday, June 17<sup>th</sup> 2024**

---

### Opening Devotions

In the absence of the President, devotions were led by the Past-President, Mr George Phillips, who read from Genesis 28:10-22 and commented. He led in prayer followed by a time of open prayer. We sang "Oh for a thousand tongues to sing".

#### 1. Names of Representatives

The names of those attending were taken "as read" as per the list above. The list was moved and accepted.

#### 2. Apologies for absence

Apologies for absence were received from Michael & Lindsay Hedley who also sent their greetings to Conference.

At this point, the Past-President reported on the health issues involved with the President, who had indicated that he would be unable to fulfil his full term of office. The Trustees had discussed this possibility and recommended to Conference that the Past-President (Mr George Phillips) serve as President for this coming connexional year. This was proposed, seconded and unanimously agreed.

3. **Appointment of:**

Secretary to Conference: Mrs Alina Taylor

Recorders of Minutes: Rev Colin Braithwaite

Letter Writers: Mrs Daphne Hodgkinson & Mrs Carole Parkinson

Decide as to the admission of representatives of the Press and Visitors – Agreed

4. **Obituaries**

Conference stood to remember the lives of John Goulder, Faith Sharp, Cynthia Bryant, David Allcock, Paul Brown and Brian Kay. The President led us in prayer giving thanks for their lives and witness. We remember their loved ones in their loss.

5. **Read Correspondence for Conference**

There was no correspondence to bring before Conference.

6. **Conference Dates**

2025 Mon 9<sup>th</sup> June to Wed 11<sup>th</sup> June, Swanwick

The date was noted and approved

7. **General Meetings Dates**

2024 Sat 19<sup>th</sup> October (3<sup>rd</sup> Saturday in October), Jump & Zoom

2025 Sat 8<sup>th</sup> March (2<sup>nd</sup> Saturday in March), Rushden Mission Church & Zoom

These dates were noted and approved.

The President further clarified a couple of issues from the new constitution – particularly that E2S (the former Local Preachers Fellowship) could not constitutionally use their new title until after Conference 2025 – they could, however, continue to use it informally.

8. **Nomination of President Designate**

The name of Mrs Sandra Fall had been presented to the last General Meeting and approved for the role of President-Designate. Sandra had subsequently withdrawn her name and shared with Conference her reasons for doing so:-

She reported that, after accepting the nomination, she did not have a peace about taking on the role. She had three dreams suggesting that it might not be right to pursue things further. She said she was convinced that this was from God. Advice from trusted spiritually-aware friends was also that the role of President was not for her. She was led to prayerfully consider the role of President and the role of the Union in general. Over the last 175 years the Union has changed, and we must change too – we are the Union!. She asked, “what is God’s heart for the Union”? We need to consider these things seriously.

Sandra’s full explanation is attached at the end of this document.

Sandra’s comments would be fed into the time of discussion on the Tuesday evening.

The Trustees are to meet for a day of prayer and reflection about the future of the Union

## 9. Women of Action Report

Report by Mrs S Fall

It is so good to be able to share with you all that the Women of Action have been doing since last years conference. We held our last **'He Restores My Soul'** event at Syresham in September. This was a great morning together with the ladies from that area, and many said how blessed they had been, there was also some challenges through the teaching about the state of their souls and what they would be doing in response to allow God to restore them, and to be more aware of this important aspect of themselves in the future.

In March we launched our new teaching series called **'Solid foundation'** at Dorrington Chapel in Lincolnshire. The ladies were very responsive as we explored God being our Rock and made sure that we were all standing on Jesus as we work out our faith, and journey through life with all it's waves and storms. There was time for discussion and prayer and we also shared bread and wine together. By the time you read this we will also have met at Stoney Middleton but you will still be able to drop into **Bozeat Chapel on Saturday 21st September** to be a part of the event. We will start at 10:30 am (doors open from 10 for refreshments) and finish with lunch so please do contact me if you would like to book your places.

We are in discussions at the moment with two other churches to host events in March and June next year. We are also aware that there are some areas within the union that the WA have not been to yet, so we would like to invite those churches to pray and consider hosting one of the ladies mornings in the Autumn 2025 and to get in touch with us if you would like to explore this possibility with us.

I do hope you have been following our monthly devotions on the Women of Action page on the Union website. Jo who writes them is one of our ladies from Hampden View church. She is a very talented lady who has an incredible gift of writing. We are very grateful to her for her contributions, they are very relevant, thought provoking and sometimes challenging too and I know they have blessed many people.

Prayer is still an important part of our journey, and we have met several times over Zoom and once in person to pray for the work of the Women of Action, the ladies in our churches are also seeking God for the way He is leading us. We will be continuing to do this so do join with us if you can, these times are always a blessing.

Zoom: **Monday 3rd June, Thursday 12th September, at 6:30 pm.**

In person prayer will be on **Saturday 8th February 10:30am at Griffydam.**

The AGM next year will be at Hampden View on **Saturday 26th April 2025.** We are looking to do something different in our morning session so further details will follow when finalised.

All ladies are welcome to join us for any of our gatherings. We value the diversity and different gifts and insight that we each have and believe that God joins us together for a purpose and uses us as we step forward to further His Kingdom in the power of Holy Spirit. We thank God and give glory to Jesus as we see him touch the hearts and lives of the ladies around our union of churches.

Thank you for your continued prayers, support and financial donations.

## 10. **Union Trustees Report & Statistics**

Report by Mr George Phillips

The Trustees have met five times during the year. The National Spiritual Coordinator (NSC), Administration Manager and Administration Assistant has been invited to the meetings. The ill health of the NSC has limited his attendance to three of the meetings

During the year the submission to the Charity Commission to become a CIO has been accepted and we have a new charity number. However, there is still work to be done in transferring all assets and properties into the CIO. We are aiming for a completion date of 31<sup>st</sup> March 2025.

The property portfolio is likely to increase during the current year by taking ownership of the former Deddington manse although some refurbishment will be necessary before it can be rented. Rental income from the four current properties in the portfolio has supported Union finances and, therefore, there has been no requirement to increase assessment.

The Trustees have been involved in the disposal of several the Church buildings.

Over Haddon  
Deddington  
Lowestoft  
Smithies  
Fife Street, Nuneaton  
Grimesthorpe  
Brant Broughton

Many of these have not been straightforward with lost deeds and no property trustees. Fife Street, Brant Broughton and Deddington sales have been completed and progress has been made on Grimesthorpe, Lowestoft and Smithies with a possibility of all being on the market by the end of 2024.

The Trustees have taken the first steps to have the theology course prepared by Geoffrey Lee accredited with a national body but that is ‘on hold’ at present due to resource availability. We have continued to have meetings with other smaller denominations with a Wesleyan background under a move to form a grouping for mutual support called ‘Association of Wesleyan Evangelicals (AWE) with an initial aim of providing and sharing a greater portfolio of training resources.

The Trustees have performed a management function over the Union employees and continue to monitor the effectiveness of the roles and the grants given in support of Churches by qualitative (reports etc.) and quantitative (measurable statistics etc.) means. A new database to aid administration is in the process of being introduced.

As part of the legal duties time has been given to discuss any changes in investment policies and any issue that may affect the reputation of the Union.

## **Opening Devotions**

Our Devotions were led by the President, Mr George Phillips, who read from John 1:43-51, commented and led in prayer. We sang “My hope is built on nothing less”

### **11. Resolution of Loyalty**

to be moved by President, George Phillips

It is with great pleasure that the members of the 175<sup>th</sup> Conference of the Wesleyan Reform Union of Churches assembled at the Hayes Conference Centre, Swanwick, Derbyshire, send to your most Gracious Majesty their sincere and loyal greetings.

We recognise the difficulties with your health and that of other members of your family and assure you of our continued prayers for recovery. We give thanks to almighty God for your service to our nation and commonwealth and pledge our continued support as you faithfully carry out your duties.

We pray that that God will sustain you and your family as you reign over us under His divine guidance and authority.

The resolution of loyalty was read then Conference rose to sing the National Anthem.

### **12. Safeguarding Report**

Report by Mr S Sykes

Since my last report the government have brought in lots of changes within early years and childcare so my workload in my job has increased dramatically in the last few months and will probably continue to remain high moving forward for a while. I am still available for support if churches need me, but I may struggle to fit in as much as I would like in the coming months.

I have managed to complete the WRU Safeguarding standards that I mentioned at the general meeting in March and they should be sent out to all churches shortly for you.

We still have the new Basic Safeguarding course that I have put together that can be used within our churches, this is a very easy to understand PowerPoint presentation that is suitable to share with whole congregations to strengthen their knowledge on safeguarding. I am in the process of writing a user guide to go with the course that explains to whoever will be delivering it how it works and how to prepare before delivering it to congregations. If anyone needs a copy of the course sending just drop me an email and I can send it on to you.

I am still trying to organise a full safeguarding training day and have been approached by a couple of churches who are interested, I am hoping to run this over the next month or so but am trying to sort out suitable dates when I am available. As this goes to print, I am trying to sort a date to run a course at Mexborough Life Church.

A couple of Safeguarding issues that are currently being circulated and we should be aware of are County lines and sexual extortion and blackmail.

County lines is used in reference to a form of criminal activity in which drug dealers in major cities establish networks for the supply and sale of drugs to users in towns and rural areas, using other people – typically those who are young or otherwise vulnerable, to carry, store and sell the drugs.

The 'county line' is in reference to the mobile phone line used to take orders for the drugs.

Police are asking people to look out for signs of county lines drug dealing. This could be a young person making frequent trips to other towns usually alone and late at night or during school hours, a young person looking lost or in unfamiliar surroundings, looking anxious, frightened or angry or displaying other behaviours that make you worried about them.

Sexual Extortion – The national crime agency has recently reported a large rise in reports of this crime. This is a type of online blackmail often known in the media as Sextortion. Children and young people are being targeted, it involves the perpetrators, sometimes posing as young people or children, forming online relationships with other young people in order to gain explicit content, these individuals when they have this content then threaten to release nude images or videos of the child or young person unless they pay money or agree to meet some other financial demand such as purchasing prepaid gift cards (which are harder to trace)

Victims of any age and gender can be targets but a large proportion of recent cases have involved male victims aged 14 – 18.

A child or young person is never to blame if they have been a victim, offenders will have tricked, groomed or manipulated them into sharing an image. It is important to have open and non-judgemental conversations with our children about online relationships to build trust and support them if something goes wrong, including the importance of never sharing explicit images online.

Please keep safeguarding on your church agenda's and remember that safeguarding is everyone's responsibility, the more we talk about it and share information the better prepared we will all be to protect those we come into contact with on a daily basis in our churches and communities.

In the absence of the Safeguarding Officer, the above report was presented "as read" by the President. It was proposed, seconded and unanimously approved.

Comments from the floor:

- Churches were urged to ensure that all leaders should be DBS checked
- Safeguarding is not solely about young people - elderly people have issues too

### 13. Home Missions and YPD Report

## a. Report by Pastor Andy Wilcock

It is really encouraging to hear of churches baptising new believers and to know that the Gospel is being preached faithfully. I am writing this in the week between the Ascension and Pentecost. We can be assured that Christ is on the throne, with all authority in heaven and on earth given to Him and the promise of His Holy Spirit working in our lives. We pray for power from on high, as we together seek to fulfil the great commission.

Earlier this year I and many others had the privilege of attending the “Growing Disciples, Growing Churches” day at Jump, led by Richard Saunders-Hindley from our Cliffe Bridge Church. Understanding and being reminded afresh of our calling is so vital.

I would encourage us all to

- read books on evangelism.
- regularly pray with others in your church
- attend course like the one mentioned above.
- **but most of all** – take opportunities to speak to non-Christians about our Saviour. Some examples of this could be...
  - Get involved in evangelism or supporting a discipleship course.
  - Go on a mission either at a beach, Holiday Club, or other form of outreach.
  - There is no better training in evangelism than just doing it.

We would love to hear regularly about what your church is doing, what resources you’re using and what long term initiatives you’re taking up. It would be such an encouragement to find out what’s happening around the country.

**Can the WRU support your work?** I am sure we can, and we want to. Please talk to us about the opportunities in your area. As a committee we can support you in looking at what can be done and sharing resources you can use, both for evangelism and discipleship.

Several of our churches are actively involved in running weekly Toddler Groups, Kids Clubs and teenage work, as well as initiatives such as Messy Church and family meals. Maybe you could contact a church near you that has such a work and see if you can support them, either setting up, providing refreshments, helping with admin and most importantly praying for them.

We meet as a committee to seek to encourage evangelism and outreach. If you are interested, we’d love you to join us on a Zoom meeting to pray and discuss how we can support our churches. We’d also like to set up local meetings where we can meet churches and leaders to hear about the challenges you’re facing, what is happening and what new things could be done to make Jesus known.

The report was presented, seconded and approved.

Additional comments:

- We need to keep our eyes on Jesus
- People may come to us from other denominations – we should be teaching & discipling them
- “Life” magazine was recommended for use in evangelism
- Mission & Evangelism need to be high on our church prayer meetings

Comments from the floor:

- Home Missions financial help (and visits) has been appreciated by churches.
- We need to be pro-active in our mission and evangelism.
- Bozeat had started a men's meeting (but women welcome) – group is growing (from 12-20) in six months).
- Never underestimate the power of prayer.
- Financial assistance is available from Union and outside agencies.
- Men's groups can be especially useful
- Coffee & Cake mornings have been helpful – especially in August when everything is closed.
- We need to be “light fingered” with our property, fabric etc – willing to make them available to others
- “Talking Jesus” resources were recommended
- Sharing of food together is a good, non-threatening way of attracting people.
- Prayer must be the starting point for all outreach

The above report was presented to Conference and seconded. Discussion (noted below) followed, and the report was unanimously approved.

Additional comments:

- General Expenses account - investment income increased by £10,000 so less was transferred from Reserve fund
- Conference costs appear to have made a “profit” – this is due to the Conference centre not requiring a deposit this year.
- Reserve & General Fund – the legal costs are high due to change to CIO
- No need to increase assessment
- Home Mission fund is high– due to this being the first full year of supporting NSC
- MPS – funds are gradually decreasing – possibly two years support remaining – may need Union support
- Balance sheet: Support for grants etc this year is £178,000
- Since 2010 total has been £1.9 million
- Balance sheet increased approx. £150,000 over the year, mainly due to sale of Fife Street
- Thanks were given to Alina & Debbie

Points raised from the floor regarding the financial report:

- The use of Holdback funds was questioned, and the Treasurer clarified the situation
- Holdback would be available for legal imperatives
- If churches are not in a circuit, holdback would be available to other “local” churches.
- Union insurance does not seem to have gone up (as might have been expected) but has reduced due to an overlap in payments
- George was thanked from the floor

## 15. Housing for Retired Ministers Fund Report

### a. Report by Alina Taylor

The Housing for Retired Ministers Trust continues to assist our ordained Ministers financially, particularly at the time of their retirement when sometimes they have problems with housing and other needs. The Trust has been able to help several of the Ministers over the years in different ways.

If such needs arise, please contact the Administration Manager to request an application form. Any requests will receive a sympathetic ear.

As last year the Trustees remain: Muriel Stonehewer, George Phillips, Cliff Darby and David Rooksby.

We thank all the Churches for their donations in support of this fund. It is much appreciated, and we look forward to new and continued support. If any Church feels able to support this fund, kindly send donations to the WRU Head office.

## 16. Overseas Missions Department Report

### a. Report prepared by OM secretary Anne-Marie Wilcock

Lindsey Hedley stepped down in March as Overseas Missions Secretary after faithfully serving in this post for 5 years. The OM Team are very grateful for all she has done in this role.

After some prayer and consideration, I agreed to take on the role of Overseas Missions Team Coordinator. Lindsey has helped me understand the role whilst also encouraging me to do things my way. Hence, the new title and the anticipation that everyone in the OM Team will take on responsibilities.

The Team are very grateful for your financial gifts to our general fund which helps us financially support some of our mission personnel. Please can I ask for your continued prayer support for them too?

We are also very grateful for the monies raised for our special project for the last two years. which has helped to provide 100s of hot meals to children at Safe Haven in Lebanon. We have sent the money in instalments in order to offer ongoing support. Please continue to pray for Safe Haven as they continue without our support in the future.

We are pleased to announce that our project for 2024/2025 is "Hope for Children" Latvia. Ian Sykes has been involved with helping this charity for the last 25 years and has very kindly volunteered to be our Project Lead. He has produced resources for each church in the WRU to use to promote and raise valuable funds for the project.

Our team is small and we would like to appeal for your help in supporting us in addition to PRAYER and FINANCES.

Here are three additional ways you could help that we would like you to consider please.

1. SUGGEST ideas for future projects that we can consider supporting.
2. JOIN our team! We meet several times a year on Zoom to discuss and pray for the progress of the project, pray for our mission personnel and plan for the future.
3. LEARN more about how God is moving in the world and be inspired to live out your place in God's story by enrolling on a free 6 week online course I will be running in the Autumn. It's called Momentum Yes!

Finally, a reminder that there are funds available for long and short term overseas missions work so please speak to me if there is someone or something that comes to mind.

#### Additional comments:

- Lindsey Hedley was thanked (in her absence) for all her work
- Anne-Marie Wilcock had taken over as Team Coordinator
- OMF (formerly China Inland Mission) had started from within the Union – Hudson Taylor, its founder, had been a member at our Salem church in Barnsley
- Leslie Notghi had provided an update
- Attention brought to the bullet points at the end of the report
- “Momentum Yes” was commended to the Union – it particularly concentrates on unreached people groups.
- The 2022-2024 project “Safe Havens” has been well supported to the sum of around £11,200
- The new project for the next two years will be the “Hope for Children” in Latvia - namely, the “Family Centre Renovation Project” under the slogan of “Practical giving for a practical project”
- Ian Sykes introduced the project and commended it to the Union
- Suggestions for giving were shared – 20p per member per week would raise £20,000 over two years.
- Over £885 had been donated by the end of Conference

#### Additional comments from the floor

- When are funds required – as soon as it is convenient – possibly every three months
- Could the Union match church donations? – Would the Trustees consider this at their next meeting?

### Opening Devotions

Devotions were led by the WA representative, Mrs Beth Ely, who read from Jeremiah 29:10-14, commented and led in prayer. We sang “I do not know what lies ahead”.

Following the devotions, a presentation was made to Sandra Fall in recognition of all the work she does for the Women of Action.

## 17. **Ministers' Provident Society Report**

Report by Rev P Hearson

It is our pleasure to be able to report on the work of the Ministers' Provident Society. The department supports ministers and their spouses in retirement and also provides a gift on the death of either the minister or spouse to help towards funeral expenses. We want to say a big thank you to individuals and churches who have supported us financially and in prayer.

At Conference 1923, agenda item no. 33 was concerning the formation of a Ministers' Provident Society, and the following resolution was passed unanimously, 'That we commend the scheme of a Ministers' Provident Society to the hearty support of all our Churches and Circuits...'. Interestingly, that was passed in Rushden where Conference was held. At the following Half-Yearly Meetings it was agreed to date the Society as from April 1<sup>st</sup> 1924. That means of course that the Society in its current format (one had been in existence earlier) celebrates its centenary this year. Over those 100 years, many retired ministers and spouses will have been blessed by its existence.

Since Conference 2023 two of those we were supporting have passed to glory. Rev. John Goulder was a great supporter of the Scheme and was for quite a number of years its Secretary. Mrs. Pat Gordon, widow of Rev. Gordon Gordon also passed this year. I also want to mark the passing of Mrs. Faith Sharp who served faithfully as the Treasurer.

Currently we are supporting 6 retired ministers and 3 widows.

Thank you for partnering with us in this work. 100 years after our formation, the resolution still holds, 'we commend the scheme of a Ministers' Provident Society to the hearty support of all our Churches and Circuits.'

Sharon Hollamby – Chair

Phil Hearson – Secretary

David Rooksby – Treasurer

Board members – Peter Norton, Phil Hartshorn, Colin Braithwaite, Cliff Darby

**The above report was presented, seconded and unanimously approved.**

### **Additional Comments**

- Great that this is their 100th year in its present format
- Many, many ministers and spouses have been helped
- George Phillips joined us for a meeting the previous evening
- John Goulder & Faith Sharp (both deceased during the last year) had served faithfully for many years
- There had been increase in donations coming in and so it was agreed that we increase gifts to £160 per annuitant & £550 for funeral expenses

## 18. **Equip to Serve (LPF) Report**

Report by Mr D Tuckett

As a committee we met to hold our AGM at last year's Conference, and agreed to change our name to **E 2 S – Equip to Serve** to ensure we are fulfilling the calling we have to encourage not only preachers but all church members in their ministry of the Gospel.

We then held a very worthwhile Day of Ministry on 16<sup>th</sup> September at Church on the Rock with about 25 attendees. Our speaker Paul Mallard who led the day spoke to us on "Suffering – A Christian Perspective". Do you know someone who is suffering? Perhaps a better question is to ask if any of us **don't** know

someone who is suffering! The sessions were recorded and are available to view in the “links” section of the Union Website.

We have since met as a committee on Zoom on the 12<sup>th</sup> October last year and on 12<sup>th</sup> February this year. We held our AGM during this Conference but, of course, this hadn't happened at the time of writing this report.

We are holding the annual Day of Ministry on **Saturday 5th October 2024**. This will be led by Cassie Biggin and her team at our Bethel Community Church, Bradford.

“Bringing Community into Church” will be a day of interactive workshops exploring different ways of bringing our communities closer to Jesus, led by Cassie.

You may want to think if there are teenagers or young leaders in your church who would benefit from this. We consider it is a proper use of our funds not to charge to attend, but there will be an opportunity to make a donation towards the cost on the day.

You can take home a copy of the poster from the display in the hall, and Alina will also be sending publicity out to you after Conference so that you can book places.

We have some suggestions for possible speakers for 2025 and beyond which we are still working on, but we are always open to further “leads” as we often find that the people we approach are already booked up. We would also welcome anyone who would wish to join our committee – we meet on Zoom during the year and hold our AGM at Conference.

I recently had the privilege of presenting certificates for long service as local preachers to Martin Drake and Barry Kimber at a service at Muff Field church in Bradford. We want to honour our local preachers for their faithful service and present them with a certificate when they reach a milestone year in their ministry. Please do let me (the secretary) know if you have someone in your congregation or circuit who should receive a certificate (they may be too modest to do this for themselves!). We can then prepare a certificate which can be presented to them either at Conference or in their own church or circuit.

The above report was presented, seconded and unanimously approved.

#### Additional Comments:

- Day of Ministry will be a different approach – led by Cassie Biggin at Bierley Church
- The AGM had been held earlier in Conference – we questioned how to encourage local preachers
- We are now awarding certificates to long serving preachers
- The officers have changed with David Tucket becoming Chairman and Jackie Clarke becoming Secretary
- LWPT (Leaders of Worship & Preachers Trust) have funds available if needed

## 19. Ministerial Committee Report

Report by Rev. Sharon Hollamby

Since last year's Conference much of what I shared is coming to fruition.

Geoffrey Lee's Theology Course, as many know it, has now been registered for CPD accreditation, and all accompanying documents completed; however, this will be put on hold until Rev Michael Hedley's health improves. As recommended by Michael, the Committee successfully interviewed Richard Saunders-Hindley, a member at Cliff Bridge Church, and Steven Jenkins, a member at Mexborough Church, who are both keen to provide their skills in marking and assisting students completing the course. With all this in place we can now accept students to commence the course in its basic state, in the hope that the accreditation will follow in the future. Please make yourselves known to myself and Alina if you are one of those who have shown an interest.

We continue to review Ministerial vacancies within our churches, and can provide support in their search, contact myself and Alina if you require assistance. Rev Peter Norton, Pastor to the Pastors, continues to

contact and visit as many Ministers, Pastors, and leaders as he can. We are thankful for his care and prayer support. The diversity shown in our churches as they support their own individual communities is encouraging, and we can all share and support one another.

We continue to evaluate the service this Committee offers to our churches in encouraging them in growing, not only leaders, but in pastoring, and spiritual growth. We will be reviewing how we can support our churches moving forward in training, mentoring, and equipping the next generation of leaders, with focus on their spiritual gifts. Please pray for us as we seek God’s wisdom.

Having submitted an Application for Ordination within our denomination, Graham Johnson is now well into Part 3 of the theology course, and is keen to finish it. Having met with Graham and confirming next steps, it will be my pleasure to present Graham to Conference 2024 with a view to ordination in 2025, after the final interview with our Committee when his studies are completed.

Please continue to pray for all those who lead our churches and seek to do our Lord’s will. It is a real privilege, and we are blessed to be held in prayer by you all.

## 20. **Christian Ethics and Social Action**

Report by Mr Graham Johnson

Firstly, I'd like to thank the members of CESA Committee for covering for me last year when I wasn't well enough to attend Conference and General Meetings. And thank you to everyone for your prayers during that time. They were all valued and appreciated. I am a lot better than I was this time last year.

It's good to be here in person to present this report.

Since last year's report we have seen the new conflict between Israel and Gaza, with the media seemingly siding with Gaza, and a rise in anti-Semitism. The war between Russia and Ukraine continues and Putin has recently been re-elected for a fifth term of office as Russia's President.

We reported last year on 'political turmoil' in our own government. Little has changed. The Rwanda Bill is set to become law and yet there are still boat loads of immigrants crossing the English Channel often with tragic loss of life. At the time of writing the date of the General Election has not been announced but we expect it to be sooner rather than later. If the local elections are anything to go by, there is potential for a major change in government

The amendments to the Public Order Act, preventing people from praying silently outside abortion clinics are yet to be implemented but if they eventually are, this may criminalise praying in public.

We would encourage everyone to lobby their local MP about this and other issues that affect our Christian freedoms. And also to pray for Christians in government at local and national levels.

Our Royal family have been in the news recently with the King, the Princess of Wales and the Duchess of York all being treated for cancer.

We would like to thank everyone who has donated to our funds this year. We continue to financially support the work of Caring For Life, The Christian Institute, and Day One Publications. If you would like to know more about these organisations, please ask one of the committee members.

The committee would like to thank Dr Leslie Nohtgi for her work on the Freedom of Speech, and also Andy Wilcock for compiling a worship resource that churches could use. We apologise for the delay in sending it out.

We already have plans for next year's Values Day and are looking at different ways in which to deliver future Values Day resources.

We will end this report with a question. Do you have a passion for seeing Christian values upheld in this country? If you do, then CESA needs you! Please speak to any of the current committee members if you are interested in getting involved.

CESA Committee:

Chairperson: Stuart Allen

Secretary: Graham Johnson

Committee Members: Andy Wilcock, Rev Phil Hearson, Phil Hartshorn, Jim Rossell.

The above report was presented, seconded and unanimously approved.

#### Additional comments

- General Election offers opportunities to question candidates on their beliefs
- In scripture we are commanded to pray for those in authority over us
- We would welcome new members of the committee

#### Comments from the floor

- The Christian Institute was recommended – they would be willing to visit churches

**MEMORANDUM OF RESOLUTION  
OF THE MEMBERS OF THE  
WESLEYAN REFORM UNION OF CHURCHES  
("the WRU-CUA")**

(a charitable unincorporated association registered charity number 250315)

At a meeting of the Annual Conference of the Members of the WRU-CUA on seventeenth day of June 2024

The members were reminded:

- that the WRU-CUA is currently established as a charitable unincorporated association registered charity number 250315 and governed by a Constitution as amended at the 2016 Annual Conference
- that a charitable incorporated organisation (registered charity number 1203983) ("the CIO") has been established to govern the WRU in the future
- that the Charity Trustees of the WRU-CUA believe it to be in the best interests of the charity that all the assets of the WRU-CUA should be transferred to the CIO accordingly
- that the Members have power to make such a transfer in furtherance of the charitable purposes of the WRU-CUA
- that where property is held on separate charitable trusts to the WRU-CUA itself that the Charity Trustees of the WRU-CUA believe it to be in the best interests of those charitable trusts for the property to be transferred to the CIO, whether to hold as part of its corporate property or as trustee (as applicable, taking into account the powers available to transfer the property in accordance with the existing trusts).

The members noted that the properties to be transferred to the CIO will include the following:

- The leasehold land and buildings at 1 Thornbrook Close registered with the Land Registry under title number SYK281978
- The leasehold land and buildings at 58 Cardwell Avenue, Sheffield registered at the Land Registry under title number SYK353305
- The freehold land and buildings at 73 North Seaton Road, Ashington registered at the Land Registry under title number ND171878
- The freehold land comprising a car park west of 75-77 North Seaton Road registered at the Land Registry under title number ND167128

Subject to legal advice that the Charity Trustees receive and any consent of the Charity Commission that may be required, the members RESOLVED:

1. That the Charity Trustees should transfer all of the assets of the WRU-CUA to the CIO and that following such transfer the WRU-CUA should be dissolved and shall close on whatever date the trustees shall specify in a closure certificate.

2. That where property is held on separate charitable trusts, the trustees of that property should transfer the property to the CIO to hold as part of its corporate property or as the trustee (as applicable, taking into account the powers available to transfer the property in accordance with the existing trusts.)
3. To delegate to the Charity Trustees of the WRU-CUA and the property trustees of any property held in connection with the WRU-CUA but on separate trusts to complete the transfer of assets, subject to legal advice that the Charity Trustees receive and any consent of the Charity Commission that may be required.

## My wrestle with the President role

At the beginning of February God spoke very clearly to me **'Forget the former things, be ready for the new, It will happen, it is coming, I have told you it would.'** this also related back to a previous prophecy God had given me.

Then 13 days later George rang and asked if I would consider putting my name forward for the role of President. I prayed about it a lot but did not get a clear yes, but neither was there a definite no, and God is in the habit of asking me to do things that are out of my comfort zone.

So knowing George needed an answer, I accepted thinking this was what God had meant when he had spoken to me 4 weeks earlier.

The next day after I accepted, I started to feel really concerned and had no peace. I spoke with 3 older wise friends who all had a disquiet in their spirit about me taking on the role.

I was in a real quandary then and felt so churned inside. I prayed that night as I went to bed and asked God to show me clearly.

I don't have many dreams and when I do, I don't remember them, but that night I had a dream and it stuck with me. I was going down a road and there was a turning on the left, but I didn't take it and carried on, and a little bit further down the road it was all blocked.

I could not shake this dream; it was so clear and strong. Was God really saying I had made the wrong decision? I didn't really want to accept it.

I then had 2 other dreams that week.

The second was that I was on my own swimming around in a pool that was filled with dirty, dark, horrible, thick, liquid and on the edge of the pool were 2 dragons waiting to pick me off.

The third was where a couple had had a baby and left it for dead as they were told it would not survive. I could see that there was a glimmer of life in the baby, so I stayed with it, to help it. Some time passed and when I looked at the baby again it had grown in size physically, but it was still a baby and had not developed or changed at all.

I wrestled with these dreams for quite a while, thinking of their relevance to the role of President and the wider union. I prayed so much, but they would not leave me, I knew there was something significant about them.

I wanted to honour the decision I had made, but all the time I had no peace about it, there was such a disquiet inside me, like a battle.

I was also very aware that I would be doing this on my own while Ian was doing his work. We would be going in different directions, and I had a sense that the gap would not be good or honouring.

And ultimately, I knew it was no good doing it if it wasn't what God wanted for me.

I sought further counsel from my friends who have prayed with me in the past. They both felt in their spirit that it was not right for me to take on the President role.

Again, I spent time praying and wrestling with all of this, but knew I had to make the decision to withdraw my nomination. So, in April I rang George and since that time I have been at complete peace.

I cannot ignore these dreams, they are very vivid in my mind and I know it was God speaking to me personally, but are they pertinent to us as a union?

As trustees we have discussed this and are asking questions about the role of president and also the role of the Union with the churches.

And I have also mused as to whether God's intention in this whole episode, was to bring us to this point of questioning our future.

We won't change for change's sake, and we don't have the answers at the moment.  
But we can't just continue the way we have for 175 years, if God is calling us into something new.

When I was praying about this recently, I was reminded of the verses about **not putting new wine in to old wine skins.**

Over the years our churches, and even you representatives here have changed.  
Should our structures and traditions change too?

When I was praying about the Union on Saturday, I felt these 3 questions were important to consider:

What is God's heart for the WRU?

What is the enemy doing to distract us? Our focus should always be Jesus.

What is the attitude of our hearts in regard to the Union?

If there is division or disunity - we give the devil a foothold.

We all need to be in unity together: **Ps 133:1&3 'How good and pleasant it is when brothers dwell together in unity. For there the Lord bestows his blessing.'**

We are going to be making a date to meet for a day as trustees to pray. We know we need to be before God as representatives of the WRU and seek His will and purpose for the way forward.

We would ask that you be in prayer with us.

We are one body and our desire is to walk in to the future God's way.
