

## A HOST OF ANGELS

Brighten up these winter days by making angels!

Sylvia Neave has knitted these lovely angels as well as making numerous lace angels which we hope will inspire you to help us fill the church with angels for Advent next year.

We have lots of ideas of how to spread a little happiness with them afterwards.

There are numerous patterns on the internet.

Contact Sally on [sallyhamlin22@btinternet](mailto:sallyhamlin22@btinternet) or (01642 590385) if you would like a copy of the pattern Sylvia has used.
