

Harlow College Chaplaincy

Listening & Support Service

July - September 2019

At the end of the last term, we had the chance to look back at the last three months and evaluate what worked well and what didn't work quite so well in order to attract the attention of students and staff to the Listening & Support Service.

We also had the chance to draw a few plans in partnership with the Counselling and Safeguarding team in order to better advertise our service to the new students starting in September.

The College is hosting a Support Fair in the beginning of October where students will be introduced to a whole range of services that are available to them ranging from Mental Health Support, Essex Police, Sexual Health, Learning Support, etc.

We will take part in that fair and want to make good use of every opportunity to make the Listening & Support Service visible and accessible to staff and students alike.

We are trusting God for a breakthrough this term and hope to see a significant increase in the number of students we can offer support to.

We thank you for standing alongside us in prayer!

Every blessing,

Maurício & Sibebe Colussi
