<p>Pen Portrait:</p> <p>My name is Claire Thorpe, I am married to Ian and we have a Border Collie called Stan. We have lived in Egton for a number of years now and before that in Station Cottages in Grosmont. Once I had graduated from Charlotte Mason College in Ambleside I took employment as an Outdoor Instructor which I did for five years, and then moved onto teaching PE in the secondary education sector, I have now returned to the outdoors and am a Director, with my husband, at Peat Rigg Outdoor Centre. I am an LEA appointed school governor and take great pride in being a governor at Egton School and love to visit when I can.</p>
