<u>Pen Portrait</u>	
<p>My name is Clara Pickard and I am a Parent Governor at Egton School. I live in Egton with my children who have all attended Egton School. I strongly believe in the ethos of Egton School and its distinctive Christian values which contribute enormously to the feel of a family environment.</p> <p>I have previously worked in primary school settings as an SEN Teaching Assistant. However, I have recently started a new, exciting post as part of a pilot scheme for North Yorkshire County Council. The pilot is called Grow and Learn and aims to identify and support children and their families who have additional speech, language and communication needs before they start school. I am passionate about working with children and their families and excited to be part of this pilot scheme. I am honoured to be a parent governor at Egton School and hope to explore my role further in the near future.</p>
