Friday 24th September 2021,

Dear Parents, Carers & Friends,

This week seems to have flown by, we were delighted to go back to the forest this week with the return of Forest School. We welcome Mrs Caroline Barber as our new Forest School Leader. The juniors enjoyed their first session building dens and insect houses and of course enjoying a hot chocolate! The infants will be having their first session on Thursday 7th October.

Friends of Egton School

Our next meeting will be on Monday 4th October @ 3.30pm. Please come along to our first informal meeting of the year and help us to kick start the fundraising activities for the children. Children are very welcome to stay and play while the meeting is on and we will be serving tea and cake as a thank you for coming! Hope to see as many of you there as possible. This is a very informal meeting to 'kick' around some ideas. Thank you. The Friends of Egton School will be holding their AGM in School on Thursday 14th October. More details to follow soon.

CCW KS3 Open Evening

The Caedmon College Whitby open evening is on Thursday 30th September, 4.30-7.00pm. Families are welcome to attend at any time, but they do have two seated welcomes in the main hall at 4.30pm and 5.30pm. The school field will be open for parking and families should make their way to the main hall to sign in.

Egton Village Hall - CPR and Defibrillator Training

The Yorkshire Ambulance Service will be carrying out a Cardiopulmonary Resuscitation (CPR) and Defibrillator training exercise at Egton Village Hall on Wednesday 29th September at 7pm.

This is a first class opportunity to understand how to access and use your village defibrillator and to improve your life saving skills.

The information below has not changed but is still relevant.

Covid-19 current rules on self isolation

Individuals are not required to self-isolate if they live in the same household as someone with COVID-19, or are a close contact of someone with COVID-19, and any of the following apply:

- they are fully vaccinated
- they are below the age of 18 years and 6 months
- they have taken part in or are currently part of an approved COVID-19 vaccine trial
- they are not able to get vaccinated for medical reasons

Instead NHS Test and Trace will make contact and advise that a PCR test is taken.

Therefore, children are allowed to come to school even if someone in their household has tested positive but only if they have no symptoms themselves.

Pupils, staff and other adults must not come into the school if they have symptoms, have had a positive test result or other reasons requiring them to stay at home due to the risk of them passing on COVID-19 (for example, they are required to quarantine).
