

Pupil Premium - Egton CE Primary School

Year: 2019-20

Allocation: £ 8430

Action	Outcome	Impact
Purchase of specific resources/programmes for specific needs	Programme and corresponding resources are purchased to implement in school to address specific needs of individuals	<p>To be completed at the end of the academic year</p> <p>Purchasing some Dyslexic specific resources helped children access the curriculum and increase progress in reading.</p> <p>Purchase of specific number resources helped children to access the curriculum and increase progress in mathematics.</p>
Funding costs for places on school residential trip	Children able to participate in residential trips accessing a programme outdoor and adventurous pursuits	An improvement in independence and resilience was noted by both home and school for all children concerned.
To maintain Teaching Assistant hours across the school	<p>Full-time provision in both classes</p> <p>Ability to have immediate adult support for Social and Emotional Needs</p> <p>Ability to run a variety of interventions and support groups to address individual and group needs</p>	<p>Where interventions took place progress was evidenced for individuals.</p> <p>Quick response to arising emotional issues lowered incident numbers</p> <p>Due to the small numbers in our cohorts further information cannot be given due to the risk of identifying individuals. However, a further discussion can be held with the head teacher.</p>

Ensuring additional teaching hours in the KS2 class for morning sessions.

Teaching groups of approximately 15 children
Enabled split into Y3/4 and Y5/6
Targeted teaching in Maths and English

Two teachers ensured comprehensive provision throughout the lockdown period.
Egton School was unable to return until September 2020, therefore there is no end of year data for this period.
