This week's news and information

School: Ms Mendivil writes: *I have been updating and restocking books we can use for our Humanities teaching. We have a couple of topics that directly link to our local area; what Maidenhead was like and how it is in the present day etc. It's quite tricky to resource! We have some old photographs of the school building - I know it used to be a boys secondary school as my step-father attended and a map or two.*

I was wondering if you would mind asking your parishioners you think could help if they have any old photos/maps they would like to donate or let us copy - it might even be

they have an interesting story to share! Or, possibly if the Church has anything that may be of use?

If anyone has anything that you think might be of interest to the school, please do let me know and I will pass it on.

Last call for Inspire : Louisa is now ready to work on a lock-down edition of Inspire. Please do send articles to: stlukes.inspire@gmail.com. You may like to write about how you kept VE day, what has kept you sane in lockdown, how you see the church of the future...

Quiz Night... yes, really!

Huge thanks to James and Louisa Ellins, who are running a Quiz Night for all adult ages on Wednesday 10th Jun at 8.30 pm (once Alex is in bed!!).

Anyone can take part – as an individual, family/couple – under the same roof unit, or by pairing up with a friend and conferring by phone. Four rounds of ten questions with a brief comfort break interval. Bring your own drinks and snacks (of course!).

It would be great if you could email Ruth on admin@stlukeschurchmaidenehad.org.uk so that we have an idea of who is Zooming in, but you can also just show up on the night. Link:

IT Alert: James Ellins reports that it seems that hackers are disguising a virus as an Excel file (sent as an attachment) of Covid-19 statistics. This virus can, amongst other things, basically prevent a computer from starting at all.

A description can be found in this article:

Ruth Sheppard has kindly offered to make a **face mask** for anyone who is unable to access on e- speak to Revd. Sally in the first instance.

Further information about online

worship opportunities and local help information can be found on our website (under latest news).

And finally, Bishop Olivia recommended this poem, **Ascension, by Malcolm Guite:**

We saw his light break through the cloud of glory
Whilst we were rooted still in time and place
As earth became a part of Heaven's story
And heaven opened to his human face.
We saw him go and yet we were not parted
He took us with him to the heart of things
The heart that broke for all the broken-hearted
Is whole and Heaven-centred now, and sings,
Sings in the strength that rises out of weakness,
Sings through the clouds that veil him from our sight,
Whilst we our selves become his clouds of witness
And sing the waning darkness into light,
His light in us, and ours in him concealed,
Which all creation waits to see revealed .
