

# Generous Giving to St Luke's in 2020

At the Planned Giving renewal last year we faced the prospect of ending 2018 with a substantial General Fund deficit of over £10,000, as well as a predicted deficit of possibly £20,000 in 2019.

You, the people of St Luke's, responded with Generous Giving pledges including a single very large anonymous donation, resulting in a surplus in 2018 and a reduced predicted deficit for 2019 of £6,500

## Please will you help?

In 2020 we will benefit from a fall in the price we pay for energy and we can contain some other costs. But our Parish Share will increase, and we need to start to pay the full costs of administration as the subsidy of £2,000 a year we have taken from the Benefactors' Fund for the past five years cannot continue indefinitely.

You can help by becoming a Generous Giver to our Planned Giving scheme – please will you consider joining it? Maybe you could start by making a monthly contribution say £30.00 via the simple Parish Giving scheme? If you are unable to do this, then perhaps you could make a single donation now?

## Methods of Giving

**Parish Giving:** This is monthly direct debit scheme which includes the option to specify that your giving increases annually to allow for inflation.

**Standing Order:** Monthly or quarterly payments to the church are made directly from your bank account.
