## Giving to St Luke's Church during the Covid-19 Pandemic

If you normally give to the church using weekly envelopes or a donation in the offertory plate, or would like to sponsor the floodlighting or make another payment, then you may wish to use one of our direct payment options instead. We can accept cash offerings at our services but much prefer direct payment if this is possible. We can also accept contactless donations by card after services.

### PayPal

You can click this link:

which will show a PayPal Donate Button as on the right.

If you click **Donate** you will be prompted to log into your PayPal account, but if you don't have one of these then simply click **Donate with a Card** and you can make the payment using any debit or credit card.

### Direct Payments to St Luke's PCC Bank Account
